ST. LUKE INFORMATION

SCHOOL LOCATION

St. Luke School is a Preschool through 8th grade Catholic elementary school. It is located at 17533 St. Luke Place N, Shoreline WA, 98133.

SCHOOL VISION STATEMENT

Saint Luke School is a community rooted in the Catholic faith and committed to innovative teaching practices. We educate the whole child to live a life filled with faith and purpose, which opens a path to inner peace and respect for others. We honor the unique gifts of each student and nurture thoughtful, independent learners who ask questions and solve problems to create a better world.

HISTORY OF SCHOOL – St. Luke School – *educating since 1957*

Since opening its doors in 1957, St. Luke School has established a rich tradition of academic excellence. Staffed by three Edmonds Dominican Sisters and one lay teacher, the initial student body consisted of 125 students in the first through fifth grades. The school has continued to grow over the years, earning accolades along the way.

A rich educational history has allowed St. Luke School to emerge as one of the premiere Catholic schools of the North King/South Snohomish area, and the school leadership and staff work hard to maintain that distinction. Buildings and instructional programs are continually upgraded as extra-curricular activities enrich the academic experience. As of 2021, St. Luke is proud to be the first Catholic International Baccalaureate School on the West Coast.

In 1994, an extensive analysis of the school, staff, administration and curriculum, earned St. Luke School accreditation from the Northwest Association of Schools and Colleges and the Western Catholic Education Association (WCEA). The school's most recent WCEA self study and accreditation visit were completed in 2021.

Today, St. Luke School serves over 255 families and more than 400 students in preschool through eighth grade.

MISSION STATEMENTS

ARCHDIOCESE OF SEATTLE

The ministries of the Archdiocese of Seattle continue the work of evangelization to encounter Christ, who calls and sends missionary disciples, and who himself provides lifelong formation and nourishment in the Church.

OFFICE FOR CATHOLIC SCHOOLS

In the spirit of communion, solidarity, and subsidiarity, the Office for Catholic Schools provides high quality professional development, resources, and best practices to expand the evangelizing mission of our Church as we help one another form the school leaders God has designed for our time.

ST. LUKE PARISH

St. Luke Catholic Community exists to:

Develop Joyful Disciples, Grow in Christ, Serve with Love.

We do this by using our compassionate love and talents to cultivate relationships and inspire action so that all experience the fullness of Jesus Christ.

ST. LUKE SCHOOL

Through inquiry and reflection, we educate globally-minded citizens who live the love of Jesus. We are inquiring minds, hearts for Jesus, and hands for service.

NOTICE OF NON-DISCRIMINATORY POLICY

St. Luke School admits students of any race, sex, sexual orientation, faith traditions, color, national and ethnic origin, and disability to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, sex, sexual orientation, color, national and ethnic origin, age or disability in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

Although we do not discriminate on the basis of race, sex, sexual orientation, color, national or ethnic origin, it remains our primary purpose and mission to serve Catholic members of the parish. Under some circumstances, medically justifiable limitations may be placed on the admission/retention of students with infectious diseases and/or life-threatening illnesses. Likewise, limitations may be placed on the admission/retention of students whose needs the school is unable to meet. Decisions regarding admission/retention of these students are decided on a case-by-case basis by the principal or his/her designee.

ACCREDITATION

WESTERN CATHOLIC EDUCATION ASSOCIATION

St. Luke School was first accredited on May 1, 1994 by the Western Catholic Education Association (WCEA). Accreditation is just one way of ensuring that the school is engaged in ongoing self study leading to improvement of student learning, has adopted goals and an action plan for the next six-year cycle, and has had an on-site WCEA peer evaluation visit. St. Luke School received the full six year accreditation in 2021.

INTERNATIONAL BACCALAUREATE AUTHORIZATION

St. Luke School was authorized as an IB (International Baccalaureate) World School for the MYP (Middle Years Programme) which serves students from grade six through grade eight on November 16, 2020. St. Luke was authorized for the PYP (Primary Years Programme) which serves students from P3 Preschool through grade five, on March 16, 2021.

As an IB World School, St. Luke is part of a global community of schools committed to developing knowledgeable, caring young people ready to successfully negotiate their future and to make contributions resulting in a more harmonious and peaceful world.

COVENANTS

COMMUNITY COVENANT

The St. Luke School community strives to be a covenant community. The teachers and staff at St. Luke School are committed to work in partnership with all families to live out the parent/student/teacher covenant to build a respectful and loving faith community.

Covenant implies a **sacred relationship**. The parent-student-teacher covenants help us all remember that through good times and tough times we have a commitment to each other to walk a journey of faith, trust, respect, and hope, guided by the Lord.

CATHOLIC SCHOOL TEACHER'S COVENANT

Each teacher at St. Luke Catholic School accepts the responsibility of cooperating with parents in the spiritual, emotional, and intellectual education of their children. Each teacher further commits that his/her mission is to educate children and to form Disciples of Christ consistent with the mission and teachings of the Church. Therefore, teachers at St. Luke Catholic School agree to:

- be a Christian role model and maintain an atmosphere which ensures each student's right to an education and personal growth.
- be respectful to the parents and caregivers of their students, work towards developing good communication with them, and continue to build a trusting relationship.
- provide appropriate and challenging academic instruction.
- embrace the diversity of their students and build bridges between all cultures.
- set clear standards for behavior and be fair and consistent in discipline.

CATHOLIC SCHOOL STUDENT'S COVENANT

As a student at St. Luke Catholic School, I am blessed to be given the opportunity to be educated spiritually and academically.

Each student understands his/her parents and caregivers have made this choice out of their love and concern for them. Therefore, students will:

- behave in a respectful manner toward all school and parish personnel, volunteers, and visitors.
- respect all students and treat each one with care regardless of race, gender, or other differences.
- obey all rules.
- respect school property and the personal property of other students.
- display proper manners and show common courtesy at all times.
- assume responsibility for all actions.
- complete classwork and homework without excuses or disrespect.
- be on time, ready to learn, and put forth best effort.
- demonstrate understanding of the IB Attributes.
- demonstrate schoolwide learning expectations.

CATHOLIC SCHOOL PARENT'S COVENANT

As the primary educator of their child, parents understand that they teach their child best by their own example of reverence, responsibility, and respect. Parents chose St. Luke Catholic School to

assist them in forming their child as a disciple of Jesus Christ. Parents understand and acknowledge that their own conduct, and the example they set for their child, can impact whether their child is allowed to remain enrolled in St. Luke Catholic School. Parents understand that their child's teacher is a dedicated professional who chooses to teach in a Catholic school. Therefore, parents will:

- be a Christian role model by regularly attending Sunday Mass with their children, if they are Catholic.
- promote respectful behavior in their child by setting a good example in their own speech and behavior.
- show respect for school personnel, volunteers, and visitors and teach their child to do the same.
- practice confidentiality and use appropriate communication to solve differences in a peaceful manner.
- follow the policies and procedures of the St. Luke School Handbook.
- accept and embrace the diversity at St. Luke Catholic School.
- respect the privacy of the faculty, staff, students, and their families.
- not consume, smoke, or vape prescribed cannabis products on school grounds, school transportation, and/or at school activities and events.

ADMISSION AND ENROLLMENT POLICIES

GENERAL INFORMATION

It is understood that St. Luke School exists to support the parents in their role as the primary educators of their children in the Catholic faith and to educate those parish children whose families are committed to the Catholic faith and a Catholic education. It is also understood that much of a child's faith formation and moral foundation comes from their experiences at home. All parents and legal guardians are expected to respect and support the Church's teachings and moral authority as administered through the pastoral leader of their Catholic parish.

All parents and guardians must also be aware of their obligation to model Christ and the Church's teachings, and that their own conduct can impact whether a student is admitted or remains enrolled, at the discretion of St. Luke School. St. Luke School reserves the right to dismiss any student, or to deny re-enrollment to any student who, in the sole judgment of the principal, is not making satisfactory progress, has engaged in conduct which is detrimental to the school, or whose parent has engaged in conduct which is detrimental to the school.

Prior to entry, attendance or transfer to a Level 1 or 1b Catholic preschool through high school in the Archdiocese of Seattle, students must present proof of having had the immunizations required by Washington State law.

Every student enrolled in a Level 1 or 1b Catholic School in the Archdiocese of Seattle shall be immunized against vaccine-preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Washington State Department of Health Services. The only exception to the foregoing requirements for students in our Catholic schools is a medical exemption signed by a licensed professional (M.D., N.D., D.O., ARNP, or PA) authorized to practice in the State of Washington, including the physician's license number. Failure to obtain required immunizations prior to admission or to maintain required immunizations during enrollment may result in a denial of attendance.

1. Applications and registrations will be considered on the following priority basis:
 - a. Current students presently enrolled at St. Luke School.
 - b. Students of families who have children presently enrolled in the school.
 - c. Students of families who are registered, supporting and active in St. Luke Parish. The family must be in good standing with regard to participation in and support of the parish in order to receive consideration for in-parish tuition, if offered.
 - d. Students of families who are registered in and supporting other Catholic parishes with first priority given to parish-subsidized families.
 - e. Baptized Catholics who are not covered by the above qualifications.
 - f. Non-Catholic students.
 - g. When the applicants are equal, the following will be taken into consideration:
 - i. Longevity in St. Luke Parish;
 - ii. Children/siblings of alumni of St. Luke School;
 - iii. Grandchildren of long-time parishioners; and
 - iv. Results of any interviews deemed necessary by the principal.
 - h. As in all school policies, the final decision is made by the principal and pastor of St. Luke Parish.
2. Non-Catholic students will be eligible for admission if space is available after current families have re-registered. Non-Catholic students are placed on a waiting list in the order their completed applications are received in the school office.

3. As openings occur for each grade level, students will be admitted and/or placed on a waiting list. A waiting list will be established when a class reaches:
 - a. the room capacity determined by the state for state certified preschool classrooms
 - b. 20 in kindergarten
 - c. Add on 2 per year not to exceed 25 in 1st--8th grades
4. St. Luke School admits qualified students of any race, sex, sexual orientation, color, national and ethnic origin, and disability and makes no distinction among such students in the administration of its educational policies and scholarships. Students possessing physical or emotional disabilities will not be denied admission solely by reason of the disability.
5. Final admission of students is dependent upon the results of an interview with the principal and review of current school records and grade level readiness assessments if necessary.
6. The completion of application forms, the approval of a tuition contract, a determination of available space, and a finding that the school has the ability to meet the needs of the individual student are also required.
7. Final acceptance will be submitted in writing to all new families admitted for the following school year.
8. A child must be 5 years of age for kindergarten, 3 years of age for P3 Preschool, and 4 years of age for P4 Preschool by August 31st immediately preceding the school year for which the student seeks to enroll.
9. A copy of a Baptismal certificate (if Roman Catholic), birth certificate, and immunization form MUST be submitted for all new students before school begins.
10. All new students are accepted on a probationary basis. (Please refer to the policy on Academic Trial Period). Students must meet and maintain academic standards and expectations.
11. Registration will begin each year during Catholic Schools' Week at the end of January.

INTERNATIONAL STUDENTS

International students who are not permanent residents of the United States will be admitted in accordance with the requirements of the United States Department of State and/or the United States Department of Homeland Security. Any international student who is not a permanent resident of the United States who desires to enroll in St. Luke School must have complete legal documentation as required by the United States government in order to do so.

STUDENTS WITH LEARNING DIFFERENCES

Students with special needs shall be given the same consideration as all applicants. However, prior to admitting a student with diagnosed learning differences, St. Luke School shall make a determination as to whether it can provide an appropriate education for that child in light of the school's resources and staff/support capacity. Each child will be considered on an individual basis. St. Luke School will consider:

1. the severity and degree of the diagnosed learning need.
2. the level of support needed from special services and any special equipment or related services the student may require.
3. the school's resources, such as available support personnel, class size, and accessibility of school facilities.
4. the accommodations necessary for the student's success, if any, and the school's ability to provide those accommodations.
5. the child's Individual Learning Plan (ILP) if one exists, and/or the school's ability to meet a current IEP or behavioral plan, and
6. Any other considerations that may apply to the particular situation.

Parents and/or the public school district in which the student resides shall be responsible for any additional special education services that a student may require.

St. Luke School will accept any child for whom an appropriate program can be designed and implemented. Each child is to be considered for admission based upon his/her emotional, academic, and physical needs; the school's ability to support the student in adhering to all health/medical requirements; and the resources available to the school in meeting those needs. St. Luke School determines continued enrollment based on these factors.

There is a limit to what schools have the capacity to do. However, St. Luke School will not discriminate against otherwise qualified individuals on the basis of disability if, with reasonable accommodations, school staff can assist the student in meeting the requirements of the school program.

St. Luke School honors the following procedures in trying to serve students with special needs:

Phase 1: Identification – Identification of the specific area of concern(s), documentation of concern, consultation with the student's family.

Phase 2: Assessment – Comprehensive assessment through the local public school or through private, professional consultants.

Phase 3: Planning and Placement – Determining the most appropriate and affirming long-term educational plan for the student. A modified plan would be created to match the needs of each individual student with on-going communication and assessment.

****For the complete procedural plans for serving students with special needs, please contact the Learning Resource Director.**

ADMISSION FOR RE-REGISTRATION

Students who are enrolled for the current year may be re-registered for the next school year through the following process:

1. Students are automatically re-enrolled for the next academic year unless families notify the school differently through School Admin by mid-January.
2. After review of the family's current tuition contract/covenant compliance, a contract/covenant for the next school year will be offered, provided that all current contract/covenant obligations have been met. This review will include current tuition payments, fundraising obligation, current active parish status (including but not limited to financial responsibility, participation in parish life, and current service hours recorded) and health/medical compliance. The contract fee is non-refundable and is due with the tuition contract.
3. Non-compliance could result in a change of tuition contract status.

WITHDRAWAL OF STUDENTS

In the event that students are withdrawn from school, parents are asked to follow this procedure:

1. Notify St. Luke School of the withdrawal via a letter to the school office with a copy sent to the principal.

2. All items on the withdrawal checklist, including financial obligations, must be addressed before a student's educational records will be released.
3. Student's records will be sent at the request of the student's new school.

WITHDRAWAL REGARDING FINANCIAL MATTERS

St. Luke School enters into covenants or contracts with faculty and staff and incurs financial obligations for the entire school year. In order for St. Luke School to meet these financial obligations, when a student is enrolled, the parent/guardian assumes the obligation to pay the tuition/fees in full.

In order to receive a full refund of tuition paid or to be let out of a signed tuition contract, the parent/guardian must advise the principal by June 30th, if the student will be withdrawing. The registration fee is non-refundable under any circumstances.

- If a student is withdrawn by the first day of school, 75% of the contracted tuition is forgiven or refunded (if prepaid).
- If a student is withdrawn between the first day of school and the end of the first trimester, 50% of the contracted tuition is forgiven or refunded (if prepaid).
- If a student is withdrawn after the end of the first trimester, 100% of the contracted tuition is owed.

Extenuating circumstances regarding the withdrawal of a student will be handled on a case-by-case basis.

The school reserves the right, if any tuition payment is past due, to remove the student(s) from the school. The school has the further right to refuse re-enrollment for the following school year until financial commitments have been met. No transcripts of grades or school records of any child enrolled in the school shall be provided without prior payment of tuition due to the school.

RIGHTS OF THE SCHOOL

PRINCIPAL PRIVILEGE

The principal interprets and reserves the right to amend or adjust the handbook after consultation with, and approval of, the pastoral leader. Parents will be notified of any changes in the handbook through the school newsletter.

RESPECT OF SCHOOL PROPERTY

Care of school property portrays a sense of pride and also strong school spirit. For this reason, all students will treat school property with care and respect. This includes being respectful of restrooms and classrooms and all that they contain.

SEARCH AND SEIZURE

The principal and/or his/her designee may search student desks and personal belongings, including, but not limited to: handbags, briefcases, purses, backpacks, clothing, and other items in a student's possession. The local police, using drug-detecting dogs, may be invited into the school on a random basis to search students' storage spaces as a proactive, preventative measure.

USE OF STUDENT INFORMATION AND PICTURES

The school reserves the right to use student pictures (or video) in publications and on the school's website. Student names will not be published with pictures or video. A parent who does not wish his/her child's picture used must notify the school during the registration process via the online system, School Admin.

USE OF SCHOOL/PARISH GROUNDS

St. Luke School grounds are not supervised outside of school hours or school events. Please respect the dedicated space and usage of the covered play area, field, and play zones during active school hours.

SCHOOL/HOME RELATIONSHIPS

St. Luke School believes that education is a partnership between home and school. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process and the Christian community, St. Luke School administration may require parents to withdraw their children and sever their relationship with the school.

FINANCIAL POLICIES

TUITION

General Information

1. The School Commission, in consultation with the principal and pastoral leader, is responsible for setting the non-refundable registration fees as well as tuition rates.
2. All tuition contract/covenant obligations for the prior year must be paid in full to ensure a student's registration for the following school year. Tuition contract obligations for eighth graders must be paid before graduation. All report cards, mid-trimester reports, and school records, including eighth grade diplomas, will be withheld until all fees are current. If special arrangements are necessary, please contact the principal.

Tuition Goals

1. To try our best to make Catholic School education affordable to all who truly desire and value it for their children.
2. To foster a trusting, community relationship between the parish, the school, and the Catholic family.
3. To generate funds so the school has a solid financial base that can more effectively improve programs and services.

St. Luke School Tuition Rates

1. In-Parish Tuition Rate
 - a. A St. Luke School In-Parish family is one who is registered in the parish prior to school registration.
 - i. If relocating to this area from another Catholic school, a letter from the former parish expressing active parish family status would be acceptable.
 - ii. If coming from another parish that does not have a school, a letter from the pastoral leader expressing active parish status would be acceptable.
 - b. A St. Luke School In-Parish family is one who has a **Stewardship Commitment Card** on file in the parish office. A quarterly review will be shared by the parish office to verify parish participation.
 - c. A St. Luke School In-Parish family is one who participates in the sacramental life of the parish by regularly attending Mass, supporting parish activities, and contributing at least 30 hours per school year on average for in school/parish service hours.
2. Monitoring of the St. Luke In-Parish Tuition Rate Privilege
 - a. A Catholic family receives the gift of the "In-Parish" rate provided that the criteria of being parishioners as stated in the St. Luke School Admissions and Enrollment policies and included in the registration materials is met. These criteria do not in any way stand in judgment of a person's depth or quality of faith, but rather as objective ways of establishing a person's commitment to St. Luke Parish. So that each parent/guardian might be treated equally and fairly, the most objective means of

monitoring parishioner status is through the financial giving records kept by the parish.

- b. Each year, the School Commission will establish the actual cost of educating a student at St. Luke School and apply the gift of the parish subsidy to determine the “In-Parish” rates for Catholic students.
 - c. The school uses a tuition management company that provides monthly statements as well as informing families when the account is delinquent. At any of the reporting periods, report cards or mid-term reports may be held until families become current with their school financial obligations. The parish bookkeeper will mail stewardship statements regarding parish contributions. This data is kept confidential with only the pastoral leader, principal, and bookkeeper involved in maintaining and honoring the parish financial records.
 - d. If there is a financial challenge being incurred by a parish family, the family should notify the school directly. There is a process for applying for and receiving St. Luke School scholarships, and there is a deep commitment to make sure all Catholic families have the financial support they need. Any Catholic families challenged by their stewardship commitment may make an appointment to discuss this matter privately with the principal and/or the pastor.
 - e. For returning students, family financial obligations will be assessed each spring. Catholic families receiving the “In-Parish” rate may be moved to the “Catholic Out-of-Parish” rate for failure to live up to the requirements of the tuition contract and the Family Handbook. This decision is made by the pastor in collaboration with the principal.
3. Non-Catholic Tuition Rate
- a. A non-Catholic student is one who has not been baptized into the Catholic Church and does not receive in-parish tuition.

TUITION PAYMENT OPTIONS

Recognizing that payment of school tuition is a requirement of each family and that the need to maintain a continuous and consistent cash flow is essential to the well-managed school, the following policy applies to tuition payments:

- A. Tuition is due before the last business day of every month. Should a situation arise that a payment will be late, the parent is responsible for notifying the school business manager as soon as possible. In the event that a family fails to pay tuition on time, the school principal will initiate the following procedures:
 - a. If at the end of **thirty (30) days** the tuition account is not current, the parent will be notified of the past due amount. A late fee of \$25 will be added to the total tuition balance, and additional late fees of \$25 each month will continue to be added until the account is current.
 - b. If at the end of **sixty (60) days** the past due condition continues to exist, the parent will be notified in writing by the school business manager or principal that the account must be brought current.

- c. If at the end of **ninety (90) days** the account has not been brought current, school services to the family may be immediately discontinued and the account will be referred to a collection agency.
- B. St. Luke School reserves the right, if any tuition payment is past due, to remove the student(s) from the school. The school has the further right to refuse re-enrollment for the following school year until financial commitments have been met. Re-enrollment in the current year or enrollment for the following year will not be accepted until tuition and fees are paid in full. The school will withhold all report cards, mid-trimester reports, and school records, including eighth grade diplomas until all financial obligations are met. Additionally, families who have past due tuition are not eligible for tuition assistance.
- C. St. Luke School offers four tuition options to school families:
- a. Tuition paid in full before the first day of school.
 - b. 12 equal payments (July through June)
- D. Families who are experiencing financial difficulties should contact the principal immediately.
- E. **Electronic banking is encouraged for all school families.** Please contact the business manager for the school about setting up automatic payments.
- F. No charitable (goods or services) contribution shall be accepted in consideration of a student's enrollment at St. Luke School.

TUITION CONTRACTS

1. Each family signs a tuition contract, agreeing to the rights and responsibilities each has to promote the common good of the Christian community in accord with Catholic teachings, traditions, and tenets as directed by the principal and pastor at St. Luke School. Volunteer hours, participation in major fundraisers, supporting the parish, and participation in sacramental life are key elements to the partnership between the school and each family. Questions or concerns about the tuition contract should be addressed to the principal or school business manager.
2. The person who signs the tuition contract is the person who will be held financially responsible for all obligations. Any modifications occurring with the tuition contract must occur in writing and have the approval of the principal.
3. Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the school office at time of registration. The school will not be held responsible for failing to honor arrangements that have not been made known.
4. All families must pay an enrollment fee, (application fee for New Families) of \$250 per student. The application/enrollment fee is used toward the cost of contract processing, supplies, and activities. All application/enrollment fees are non-refundable. Enrollment fees will be collected via the tuition management company by the end of March according to individual payment plans. If the enrollment fee is not paid by April 1st, the fee will increase to \$350.

TUITION ASSISTANCE

Fulcrum Foundation Tuition Assistance

The Fulcrum Tuition Assistance Grant program is designed for families and students currently enrolled or applying for the next school year in any Catholic school in the Archdiocese of Seattle. A

family must apply each year through FACTS Grant and Aid Assessment to qualify for a grant. All awards are made based on financial need.

St. Luke School Financial Aid

Local financial assistance can be requested by any current school family. However, families must first apply for the annual Archdiocese of Seattle Tuition Assistance Grant funded by the Fulcrum Foundation (See above). Once a family has submitted the application by the designated deadline, the family will also be considered for St. Luke School Financial Aid. This confidential form is processed by the school administration, and awards are based on financial need only. Each new school year, the applicant must reapply for the Fulcrum Tuition Assistance Grant and St. Luke School Financial Aid. Any special circumstances will be handled confidentially by the principal and pastoral leader.

The principal will determine the process and amount of tuition assistance based on specific criteria. St. Luke School families who belong to St. Luke Parish receive first consideration for assistance. Families will receive notification from the principal regarding their tuition assistance award.

Some neighboring parishes give financial assistance to their registered families. Families are expected to complete the "Tuition Assistance Application" and submit it to their pastoral leader for his signature. When it is signed, it should be returned to the school along with the completed contract/covenant.

Emergency Financial Aid

Life status changes occur, and St. Luke School tries to respond to individual circumstances. If a current school family has experienced a life status change, the family may submit, in writing, an emergency scholarship request. If any funds are available, the principal will work with the pastor to assess the need and respond accordingly.

REGISTRATION AND FEES

New Student Registration Fees:

1. Families of new students must pay a \$250 registration fee per family to secure the student's placement at St. Luke School. All registration fees are non-refundable. This registration fee is due with the St. Luke School New Student Registration Application.
2. Registration begins the first Monday of February for new families.

Re-Registration:

Re-registration is held each year in January or the first Monday of Catholic Schools Week for families currently enrolled at St. Luke School. The registration process is complete when the school has received:

1. St. Luke enrollment fee for existing students.
2. Tuition assistance applications are complete and have been submitted, if applicable. (Fulcrum deadline is the first week of January). St. Luke has limited scholarship funds available. Determination is based on information from the Fulcrum application form.
3. Signed tuition contract.
4. Emergency information forms have been completed in full.
5. Records: Immunization, health records, and authorization of medication at school form if applicable.

Other Fees:

Beyond registration and tuition, there are several additional fees that may be charged:

1. Eighth Grade Graduation Fee - This covers the cost of graduation and other 8th grade expenses.
2. 5th & 6th Grade Camp Fee - Details will be provided by classroom teachers prior to Camp.
3. Field Trips - Prices vary due to field trip destination and costs.

FUNDRAISING

Each school family will be required to participate in fundraising.

SCRIP

1. One fundraiser at St. Luke School is the selling of SCRIP or gift cards. For complete details and ideas to make SCRIP sales successful, please contact the SCRIP chairpersons. **Statement of liability/ waiver:** The School assumes permission to send/receive financial statements and actual SCRIP through the Thursday Packet system or directly home with the students. Parents who prefer not to participate in the pick-up and delivery process of SCRIP at St. Luke School must communicate in writing to the SCRIP Chairperson that they will relieve the school of the burden of pickup and delivery of SCRIP and establish an appropriate system for their family.
2. A family whose last child is a graduating 8th grader may apply any SCRIP profits back to St. Luke School or can designate a current St. Luke School family to help meet their SCRIP obligation. For the profits to be designated to a current St. Luke School family, a letter of designation must be sent to the St. Luke School business manager by August 1st.
3. SCRIP profits from anyone else who purchases SCRIP and is not a current St. Luke School family go to the St. Luke School “Helping Hands” fund for families in need, which can be designated for a particular family or for the general fund. Please see the business manager for additional details.

AUCTION

1. The auction is St. Luke School and Parish’s largest fundraiser. It is an annual event dedicated to supporting the full mission of the school and parish. The Development Director and a team of volunteers work throughout the year to create a special evening celebrating and financing the gift of Catholic education. Per the tuition contract, families donate or “procure” items for the auction, or they can buy out. Buy-out money is used by the St. Luke procurement team to purchase quality items for the auction. (Please see St. Luke Financial Policies for additional information).
2. St. Luke School REVENUE ALLOCATIONS
 - a. The proceeds from the St. Luke/Parish Auction for the school shall be designated as follows:
 - i. 70% for School Operating Account.
 - ii. 20% for Unfunded Tuition Assistance.
 - iii. 10% for Long-term Development.

Annual Fund

Every family must financially support the St. Luke School’s Annual Fund, which helps with the current and future viability of the school.

SERVICE HOURS

As part of the tuition contract, each family is responsible for completing, recording, and tracking their service hours during the school year. The annual commitment requirement is 30 hours per family. Failure to fulfill the annual commitment hour requirement will result in an assessment charge of \$15.00 per hour due May 31st each year.

It is the parent's responsibility to find opportunities to serve the school or parish. Families are encouraged to document their hours on the monthly school calendar and submit the calendar at the end of the month for recording purposes. A periodic update of recorded hours is sent to all families through the school year.

How can I fulfill my service hour commitment? Get involved at the school and parish level. Any service supporting the good works of the school and parish are counted as volunteer hours. Ideas include, but are not limited to: room parents, working in the classroom or at recess, working at the volunteer project table, take-home projects, St. Luke Auction, SCRIP program, recycle drive, gardening around the grounds, ministers for the Masses, serving on a commission, driving and chaperoning on field trips, attending Parent Club Organization meetings, and MORE!

Safe Environment Requirements

St. Luke School is required to follow Archdiocesan rules to keep a safe environment for our students. Any adult who wishes to drive on field trips or be in the classroom with students at any time during the year should make sure they have the required paperwork on file in the office well in advance. All required forms are available at the school website under the Safety First Tab.

In order to work one on one with students or to drive on a field trip, the following is required:

- A background check, current within the last three years
- Proof of current car insurance (for field trip drivers)
- A certificate showing current compliance with your Safe Environment training.

A signed statement acknowledging having read the Archdiocesan policies on prevention and response to sexual abuse, misconduct and harassment; the code of professional conduct for church personnel; and reporting suspected abuse or neglect of minors and vulnerable adults.

ACADEMIC POLICIES

St. Luke School exists to teach the message of Jesus Christ to its students. The curriculum taught at St. Luke School meets Archdiocesan International Baccalaureate requirements for textbooks, materials, and time allotments for subject areas. St. Luke School's curriculum is cross-referenced with Common Core State Standards, Next Generation Science Standards, the Washington State's Essential Learning Requirements, and the Archdiocesan Religion Standards, so that it meets or exceeds current national and state standards. In addition, the curriculum is structured and guided by the International Baccalaureate program standards and practices. St. Luke School is fully accredited through the **Western Catholic Educational Association (WCEA)**. A copy of the accreditation self study and report is available at the school office. St. Luke School is also fully authorized through the **International Baccalaureate Organization (IB)** as a PYP and MYP World School.

CURRICULUM

The Archdiocesan curriculum guidelines are consistent with the Archdiocese of Seattle's Religion Standards, State of Washington learning requirements, and the National Common Core Curriculum State Standards for subject areas. St. Luke School strives to offer a program that makes use of many sources of reading material, a wide variety of audio-visual and technology tools, and a multi-text approach to the content areas. Textbooks are approved by the Archdiocese of Seattle.

Instruction

The instructional program at St. Luke School continually strives toward implementing the best and most appropriate teaching practices. These practices include: inquiry based lesson planning, direct instruction, coaching, guided practice, presenting, modeling, problem-based learning, hands-on experience, real-world application, use of technology, incorporating learning centers, writing process/workshops, employing close reading, text-and-evidence questions and answers, teacher-directed questions and answers, high-level questioning, discussion, observation, and more.

Religion

The school is committed to promoting Gospel values in every aspect of school life. Besides daily instruction in the Catholic faith, St. Luke School emphasizes daily prayer, frequent and regular worship, service projects and outreach, training and preparation for the sacraments, and Catholic Social Justice Teaching. This is inclusive of the mutual respect of teachers, staff, students, and parents, and the implementation of school policies and programs that promote faith, community, and justice.

Parents are the primary educators for the faith of their children. The school's role is to support families in this critical aspect of parenting. Families are encouraged to be active participants in their respective faith communities by regular attendance at Mass and by sharing their time, talent, and treasure. Sunday or Saturday Vigil Mass attendance is expected of all Catholic school families. Friday or daily Mass is not a substitute for Sunday or Saturday Vigil Mass attendance.

Non-Catholic Students are expected to participate in school religious experiences and to attend religion classes which are assessed as academic subjects. Non-Catholic students shall be considered integral members of the student body, expected and required to participate in all aspects of the school program.

1. Non-Catholic students are required to attend and participate in religion classes. Teachers will be sensitive to the student's ability to understand and be respectful of his/her personal religious convictions.
2. Non-Catholic students shall be required to be present for Mass and other religious services. They are not required to actively participate in such services but are invited and encouraged to do so to the extent they desire. In accordance with the teachings of the Catholic Church, non-Catholic students are not permitted to receive communion or other sacraments.
3. Non-Catholic students, like other students, are required to participate in service-learning projects and student service hours sponsored by the school.

Religion Class - Religion is taught regularly as part of the school curriculum, using the Religion Standards approved by the Office of Catholic Schools of the Archdiocese of Seattle, and the United States Conference of Catholic Bishops (USCCB).

Sacrament of Penance - Opportunities to receive the Sacrament of Penance are made available to the students throughout the school year. This is not meant to take the place of the students receiving this Sacrament on their own or with their families.

Catechetical Formation in Chaste Living - The school will offer ongoing formation in chaste living, using an approved text, as part of Catholic moral formation, as required by the WCEA's Catholic Identity accreditation standards, and by standards published by the USCCB (2008): Catechetical Formation in Chaste Living.

Community Service - Each student, with their class, takes part in Christian service activities throughout the year.

ACRE Test - The elementary religion curriculum will be evaluated by a uniform means of assessment, including national assessments, with oversight by the Office for Catholic Schools. Students in grades 5 (level 1) and 8 (level 2) will take the ACRE (Assessment of Children/Youth Religious Education) assessment offered by the **National Catholic Educational Association** (NCEA) in the month of April. The school will receive a group report for each ACRE leveled assessment used in the school.

Mass - St. Luke School is first and foremost a Catholic School, committed to the spiritual development of our students. In pursuit of this goal, the school community gathers regularly for the celebration of the Eucharist. The school Mass is not a substitute for the obligation of each Catholic to attend Sunday Mass.

Prayer - In order to foster the habit of daily prayer, the school day begins and ends with prayer. Students are each encouraged to use these and other opportunities to ask forgiveness, give thanks, and praise and celebrate God's blessings.

Academic Subjects

PYP English Language Arts and MYP Language & Literature -

English Language Arts (ELA) in the PYP is aligned with the Common Core State Standards for all grade levels. The PYP believes that reading is a developmental process that involves constructing meaning from text. The process is interactive and involves the reader's purpose for reading, the reader's prior knowledge and experience, and the text itself. Students are taught a variety of skills

and strategies in learning to read, including decoding, comprehension, fluency, and vocabulary development. Writing is a way of expressing ourselves. Writing allows us to organize and communicate thoughts, ideas, and information in a visible and tangible way. Writing is primarily concerned with communicating meaning and intention. Writing involves developing a variety of structures, strategies, and literary techniques such as spelling, grammar, mechanics, plot, character, punctuation, and voice, as well as writing a variety of forms for different audiences and different purposes, including argument writing, informative/explanatory writing, and narrative writing.

In the MYP program, students are enabled and encouraged to use language as a vehicle for thought, creativity, reflections, learning, self-expression, analysis and social interaction. Skills are developed in listening, speaking, reading, and writing. Students develop critical, creative, and personal approaches to studying and analyzing text, explore and analyze other cultures, develop a lifelong interest in reading and apply linguistic and literary concepts and skills in a variety of authentic contexts.

Mathematics -

The math curriculum in the PYP is aligned with the Common Core State Standards for all kindergarten through grade 5 students. The power of mathematics for describing and analyzing the world around us is such that it has become a highly-effective tool for solving problems. The program emphasizes individual student abilities, and math class groupings are flexible and based on what students are ready to learn next. The math program also emphasizes basic math facts, hands-on activities, and an online visual-spatial technology program for grades K-5.

In the MYP, students continue to develop a deeper understanding of the principles and nature of mathematics, and growth in logical, critical, and creative-thinking skills. Emphasis is placed on the application and transfer of skills to a wide range of real-life situations, other areas of knowledge and future developments.

PYP Social Studies/History and MYP Individuals and Society -

In the Primary Years Programme, social studies learning guides students towards a deeper understanding of themselves and others, and of their place in an increasingly global society. Preschool and kindergarten students focus on themselves, their friends and family, and their immediate environment. First through fifth grades provide opportunities for students to look at and think about human behavior and activity realistically, objectively, and with sensitivity. Social studies curriculum is taught within the PYP Program of Inquiry, so learning is transdisciplinary and connected to the PYP Transdisciplinary Themes.

Washington State Standards emphasize the teaching of Washington State History in Grades 4 and 7/8, and United States History in Grades 5 and 8.

The MYP program encourages and enables students to appreciate human and environmental commonalities and diversity, understand the interactions and interdependencies of individuals, societies and the environment, understand how both human and environmental systems operate and evolve, to develop concern for the well-being of human communities and the natural environment, and to act as responsible citizens of local and global communities.

Science –

Science in the early years (preschool and kindergarten) will allow students to develop their observational skills by using their senses to gather and record information, and they will use their

observations to identify simple patterns, make predictions, and discuss their ideas. In grades one through five, science is viewed as the exploration of the biological, chemical, and physical aspects of the natural world, and the relationship between them. The Next Generation Science Standards and STEM (Science, Technology, Engineering & Math) activities are infused into the PYP Program of Inquiry so learning is transdisciplinary and connected to the PYP Transdisciplinary Themes.

The MYP Science program furthers skills of investigation, evaluation of evidence, and formation of conclusions. Students cultivate analytical, inquiring, and flexible minds that pose questions, solve problems, construct explanations, and judge arguments. A sensitivity towards the living and non-living environments is fostered along with an awareness of the need to effectively collaborate and communicate.

Music – Music classes are offered to all students from preschool through grade 8. The standards emphasize conceptual understanding in areas that reflect the actual processes in which musicians engage. The standards cultivate a student’s ability to carry out the three Artistic Processes* of

- Creating,
- Performing, and
- Responding.

These are the processes that musicians have followed for generations, even as they connect through music to their selves and their societies.

Students need to have experience in creating, to be successful musicians and to be successful 21st century citizens.

Students need to perform – as singers, as instrumentalists, and in their lives and careers.

Students need to respond to music, as well as to their culture, their community, and their colleagues.

Physical Education/Health - Physical and health education is aligned with the Washington State standards. It supports students’ academic performance in other subject areas and provides students with a global perspective on wellness. St. Luke, along with the state of Washington, is committed to implementing high-quality health and physical education instruction in order to lay the foundation knowledge for students to be healthy and well throughout life and support the development of healthy and productive members of society. PE and Health lessons tie into the concepts of the IB Units of Study. Students work on coordination, movement, and physical activities. The 6th through 8th grade curriculum also includes team-based activities.

Design - In the MYP, a Design class is included in the curriculum. Students develop knowledge, understanding and skills from different disciplines to design and create problems using the design cycle. An appreciation for the impact of design innovations for life, global societies, and environments is fostered. Students in grades 2-5 are introduced to Design concepts.

Technology - Students are introduced to major operating systems that may include Windows, IOS/Apple, and Google. Technology components include keyboarding, documentation, visual presentations, and other curriculum-aligned projects.

Students are preparing for a world in which technology literacy is an important part of their future educational and vocational careers. Technology allows students to develop their learning styles and

explore more creative ways to demonstrate their mastery of skills, concepts, and information. Technology is a tool by which teachers can reach each student at his or her own level, pace, and interest to enhance their lifelong learning process. This is an integral part of the educational program at St. Luke School.

Students accept the responsibilities and guidelines outlined in the agreements they sign each year for the use of all St. Luke School electronic devices. Any damage to any electronic device through improper use will be the responsibility of the student and their parents. Internet access is available to students for educational purposes only. Saint Luke School has taken precautions to restrict access to inappropriate information, and students are not to use the Internet without a teacher present.

Library Skills – All students visit the school library regularly and kindergarten through 8th grade students are given the opportunity to check out books to read for growth in reading and academic skills, as well as for enjoyment. Students are taught strategies for locating information, selecting and evaluating both paper and electronic resources, and extracting information from those resources.

Art - PYP – Art instruction, facilitated by the classroom teacher in Preschool through 5th grade, incorporates instruction in art techniques, enhances learning across the curriculum, and supports the celebration of liturgical seasons and holidays.

Art - MYP – Students in MYP have an opportunity to study both Visual and Performing Arts. Skills of creation and presentation, investigation and practice, and deeper understandings of the relationship between art and its context through reflection are developed.

Personal Safety – St. Luke School uses an Archdiocesan required safety program in PreK through 8th grade.

Band Program – Both beginning and advanced bands are offered. Depending on enrollment in grades 4&5, band will be offered before or after school. Students in the MYP may take band during their exploratory period. Band usually is offered twice a week depending on the schedule of the band director.

Choir Program – All students in grades 6-8 are required to take 50 hours of performing arts for the MYP program. Choir is offered in trimester 1 and 3. Students learn music from a variety of cultures and how to sing in four-part harmony, read music from an octavo, and perform at least three major times during each trimester. The choir program follows the same standards as mentioned above in the music section.

Drama Theatre Arts Program - Use a variety of methods, new media, and technology to create theatrical works through the use of the creative process for performance, directing, design, construction, choreography, playwriting, scriptwriting, and dramaturgy

Create drama and theatre by interpreting and appreciating theatrical works, culture, and experience through scenes and scenarios, improvisation, creating environments, purposeful movement, and research

Employ drama and theatre skills, and articulate the aesthetics of a variety of characters and roles

Express drama and theatre arts skills in a variety of performances, including plays, monologues, improvisation, scenes, design, technical craftsmanship, media, ensemble works, and public speaking

Demonstrate the evolution of rehearsal and product through performance and/or production teamwork while simultaneously validating both as essential to the theatre making process

Demonstrate an understanding and appreciation of theatre history, dramatic structure, dramatic literature, elements of style, genre, artistic theory, script analysis, and roles of theatre practitioners through research and application

Discern and demonstrate appropriate theatre etiquette and content for the audience, self, venue, technician, and performer

Make informed, critical evaluations of theatrical performance from an audience member and a participant point of view, and develop a framework for making informed theatrical choices

Math Pathways

In the 6th, 7th and 8th grades, students may be placed in an advanced math group based on the following criteria. **A student must:**

1. have a teacher recommendation as being an independent worker and learner
2. have an A- average with no trimester grade lower than B+ in order to enter advance placement status
3. pass all four basic computation skills time tests at mastery level – (Mastery level is 85% for 6th grade; 90% for 7th grade)
4. be able to solve story problems without help
5. be quick to recognize numerical and geometric patterns
6. apply thinking skills and mathematical reasoning
7. have homework scores consistent with test scores
8. have a history of turning work in on time
9. have a history of showing all steps in his or her work
10. have a history of asking teacher for help when needed
11. have a history of good attendance with minimal absences
12. MAP results and Orleans-Hanna for algebra placement.

All students in advanced placement status enter the new school year on a probationary period in order to demonstrate the habits and skills needed for success in the new level of challenge. The student must maintain an 85% average at the end of the first trimester to remain in the advanced class and maintain a B average throughout the year.

Exception

Teacher recommendation of exceptional math ability may be accepted in lieu of any one of the first three criteria. No other criteria will be considered for advanced placement status.

Placement decisions for 7th and 8th grade math are made at the end of each school year and no placement changes will occur after the decision has been made. Families will be notified of placement decisions in a letter enclosed with the final report card.

Assessment

St. Luke School teachers use a variety of methods and types of assessments to monitor and ensure student learning. Students are assessed informally through observing, listening, asking questions, discussion, and requiring written responses to ensure the students understand a concept or skill. Students are also assessed through formal assessments, which include, but are not limited to, portfolios, written tests, oral tests, summative performance tasks, and projects. Progress reports are sent home to parents 3-6 times a year and report cards are sent home three times a year. Students in grades k through 8 take the Measures of Academic Progress (**MAP**) standardized tests. The data the school collects from these tests and classroom assessments is then disaggregated and is used to help inform instruction and curriculum.

LIBRARY

Mission Statement

The St. Luke School Library exists to help develop reading skills; to encourage recreational reading; to help familiarize students with the world around them, both present and past; to enhance the curriculum taught in the classrooms; and to promote a lifelong love of reading.

Philosophy Statement

The school library staff is committed to providing expertise and caring, responsive service to the entire school community. The staff strives to inform, enrich, and empower every member of the school community by providing access to high-quality, appealing, timely, authoritative, and reputable materials in a variety of genres for a variety of age levels. The library staff acquires, organizes, and provides a wide variety of children's literature, including Catholic resources and other relevant library materials. All students are encouraged to visit the library regularly and often so that they may enjoy and benefit from these materials.

Responsibility Policy

It is a **privilege** for students to use this facility and its materials. With this privilege come the following **responsibilities**:

1. **Students are responsible** for knowing what books they have checked out and for knowing where those books are at all times.
2. **Students are responsible** for taking proper care of library books and for returning them on time.
3. **Students are responsible** for learning and demonstrating proper library etiquette at all times in order to maintain a quiet, studious atmosphere.

Overdue Notices: Overdue notices will be sent home periodically throughout the year. The notices are a reminder to the student and his/her parents/guardians to return the book(s) for others to use.

Final Overdue Notices: In May, as the library prepares to close for the year and take inventory, the final due date will be announced. All books will be due, and final overdue notices will be sent. If books are not returned by the final due date, a \$15 fine will be incurred.

Damaged Library Books: Students whose books are returned damaged beyond what would be considered “normal wear and tear” will incur a fine in an amount commensurate with the extent and type of damage. If the damage is so extensive that the book is no longer fit for circulation, the amount of the fine will be the replacement cost of the book.

Lost Library Books: If a student believes he/she has lost a library book, the library staff should be notified as soon as possible. If the book is still lost when the library prepares to close for the year, the student/parents/guardians will be billed for the replacement cost of the book.

Questions, Comments, Concerns: If you have a question, comment, or concern about the materials, service, or the library in general, please submit it in writing to the library staff. The librarians and the school administration will meet with you to respond to your concern, and the pastoral leader will make all final decisions regarding materials available to the students.

FIELD TRIPS

Field trips are planned by the teacher to enrich the curriculum. They are a privilege afforded to students; no student has an absolute right to a field trip. Students can be denied participation if they fail to meet academic or behavioral requirements.

Teachers will notify families in advance of these trips. **All students must bring the required permission slip form in advance of the field trip day.** Phone calls will not be accepted in place of the written form. Only students currently enrolled at St. Luke School are allowed to participate in field trips. Parents who volunteer for field trips must find childcare for their children not enrolled at St. Luke School.

If necessary, fees will be collected from school families to pay for the cost of the field trip and transportation. (Bus transportation is the preferred method to be used for any field trip.) School uniforms are to be worn on field trips unless otherwise indicated by the principal.

In accordance with Washington state law, the following requirements must be met for all field trips and other school-sponsored events involving vehicles that are privately owned and driven:

1. The driver must be at least 21 years old
2. The driver must submit to a background check that shows no felony, DUI, or reckless driving convictions.
3. The vehicle must be insured by the driver for the minimum limits required by the Archdiocese’s insurance company
4. Effective January 1, 2020
 - children under age 2 must be properly secured in a rear-facing car seat,
 - Children ages 2-4 must be properly secured in a car seat with a harness which may be either rear facing or forward facing,
 - Children ages 4 and older and less than 4’9” tall must be secured in a booster seat with seat belt (or continue in harness seat).
 - Children over height 4’9” must be secured by a properly fitted seat belt (typically starting at 8-12 years old).

- Children under age 13 are required to ride in the back seat when practical to do so.

RCW 46.61.687 says a child must remain in a booster "until the vehicle lap and shoulder seat belts fit properly, typically when the child is between the ages of eight and twelve years of age, as recommended by the American Academy of Pediatrics, or must be properly secured with the motor vehicle's safety belt properly adjusted and fastened around the child's body."

For children under 2 years old, they must remain in rear-facing car seats until they reach the height and weight specifications set by the seat manufacturer.

Children not enrolled in the school shall not accompany the class field trip.

ENVIRONMENTAL EDUCATION

St. Luke students participate in environmental education in the classroom, in the school learning garden, on field trips, and at YMCA Camp Seymour (5th grade) and CYO Camp Hamilton (6th grade).

The Environmental Education Program at YMCA Camp Seymour is part of the 5th grade curriculum and CYO Camp Hamilton is a part of the 6th grade curriculum at St. Luke School. Attendance and participation in camp and camp activities are mandatory. Camp is a central component of the 5th and 6th grade curriculum, addressing environmental education standards in a broader context through inquiry, hands-on learning, and reflection. The outdoor education program is in direct alignment with Washington State Educational Standards and the Archdiocese of Seattle Religion Standards. Camp Seymour is owned by YMCA of Tacoma and Camp Hamilton is owned by the Archdiocese of Seattle. Both camps are operated in accordance with values and morals uplifted by the Catholic Church. Students attending camp will practice academic risk-taking skills through critical and creative thinking, problem solving, and working cooperatively. Prayer and reflection are integral parts of both camp experiences. The parish priest is invited to lead a prayer service in the outdoor chapel at Camp Seymour and students participate in the liturgical celebration of the Mass in the church at Camp Hamilton.

Camp Seymour and Camp Hamilton are not optional programs; the only excused absence from camp is illness with a doctor's written note recommending that the student avoid outdoor activities. A student who misses camp due to an illness is responsible for making up missed work and the student's family must make arrangements for the student not to be at school during camp week. If a student does not attend Camp Seymour in 5th grade due to another reason besides illness, one third of their overall science and religion grades for the first trimester can be affected. If a student does not attend Camp Hamilton in 6th grade due to another reason besides illness, one third of their overall science and religion grades for the third trimester can be affected.

Payment for these important educational experiences is the responsibility of the parents of 5th and 6th grade children. Limited scholarships for camp are available; access to these funds must be obtained through the principal. Payment for camp must be paid to St. Luke School in full before a student is allowed to attend camp.

Adult chaperones are needed for the successful implementation of camp activities and events. Any interested chaperone must fill out a camp chaperone application. Only current 5th grade parents, guardians, or grandparents can be selected to chaperone at Camp Seymour and only 6th grade parents, guardians, or grandparents can be selected tot chaperone at Camp Hamilton. Chaperones must be over 21 years old and must abide by the rules set forth by St. Luke School and Camp Seymour/Camp

Hamilton; these include cell phone and other electronic device usage which are not allowed. All chaperones must have completed the Archdiocesan Safe Environment training. The 5th and 6th grade homeroom teachers and the administration will make the final determination on the selection of chaperones for each camp experience. In addition, all 5th and 6th grade parents must attend a mandatory camp meeting which will outline important information and expectations of camp policies and procedures for both the students and chaperones.

STUDENT SERVICE HOURS

As part of our mission to help the students understand their role in the larger community and to develop in them a sense of service and responsibility, students in all grades will be required to perform hours of community service each year. Service is giving of one's time to help someone who is less fortunate. Hours may be earned in parish, school, or community service beyond the school day. The service is required to be completed and recorded by the middle of May. The students will record their hours and have them signed by an adult. Failure to complete the hours may result in a religion grade reduction in the third trimester. Students in PreK – 2nd grade need to complete 5 hours; students in 3rd – 5th grade need to complete 10 hours. Students in 6th – 8th grade need to complete 15 hours per trimester, which will be recorded by the end of each trimester.

HOMEWORK

The St. Luke School faculty is committed to assigning homework that is authentic and relates to the learning concepts that are taught in the classroom. Homework assignments are considered an extension of classroom work and are a means of reinforcement and, with few exceptions, can be completed by the student on his or her own. Studying for tests and quizzes are also an essential part of the homework process. Much can be accomplished if parents help foster systematic home study habits in their children and provide adequate study space, lighting, and a proper environment free from distraction.

Pre-Kindergarten

Homework assigned to Pre-Kindergarten students is under the discretion of the Pre-Kindergarten teacher and there is no specific amount of time for this grade.

Kindergarten and First Grade

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately 20 – 30 minutes.

Second and Third Grade

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately 30 – 45 minutes.

Fourth and Fifth Grade

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately 45 minutes to one hour.

Middle School – Sixth Through Eighth Grade

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately one hour to one and one-half hours.

Additional Homework Notes

1. Students in 3rd – 8th grade are responsible for writing down their homework for each class.
2. If a student consistently spends more time than is recommended in real studying (without computer games, television and other distractions), the teacher should be notified, and adjustments will be considered.
3. Various assignments and long-term projects may involve homework on the weekends. The teacher will monitor the progress of long-term projects.
4. Middle school students (Grades 6th – 8th) may periodically expect homework on the weekends and it may be to a student's advantage to complete assignments outside of the school week.

Late Work

For middle school students, if an assignment is one day late there will be a 25% reduction on the grade. Assignments will only be accepted after one day late. Teacher discretion is taken into consideration on late long-term assignments and projects. In Pre K - 5th grade, the late work policy is under the discretion of the homeroom teacher.

Make-Up Work

When a student is absent from school due to an illness, he/she will be given the same number of days he or she was absent to complete and turn in missing work. It is the responsibility of the student to arrange for all make-up work. Parents may call the office to pick up work if the student has been absent for more than one full school day.

GRADING

Students in the primary grades (PreK-4) are assessed using a tiered grading scale based on meeting the academic standards for their grade level. Students in grades 5-8 are assessed on a hybrid-letter grade system that is aligned with the academic standards of their grade level. Students' effort and personal development are also assessed. A modified academic plan may be established if a student has specific academic needs. This academic plan would be developed/arranged by the LRC Director with input from teachers and the principal in conjunction with parents.

GRADING SCALE FOR GRADES Pre K - 4:

3	Meeting standard
2	Approaching standard
1	Below standard
NA	Not assessed at this time

GRADING SCALE FOR GRADES 5- 8:

A	95 – 100%	C+	80-82 %
A-	92 – 94%	C	77-79 %
B+	89 – 91 %	C-	74-76 %
B	86 – 88%	D	68-73 %
B-	83-85 %	F	67-50 %

NA= Not assessed at this time

If there is any discrepancy with a grade, parents may send a written inquiry to the school within one week of the issuance of the grade

MID-TRIMESTER REPORTS

Frequent communication between home and school is encouraged regarding your child's academic progress. These reports are available via Toddle at the midpoint during each trimester. Progress reports are sent home three weeks after the mid-tri report to those students receiving grades of C- or lower for students in grades 5-8. These reports are not part of a child's permanent school record. Parents are encouraged to contact teachers with questions and/or concerns. Appointments should be made with the teacher, and a meeting should never be attempted during class hours, carpool, or recess periods.

REPORT CARDS

Trimester report cards are issued at the end of each 12-week term. We encourage parents to discuss these reports with their child and to work cooperatively with teachers in their efforts to help each student develop to his or her potential. Report cards are not intended to provide a complete evaluation of a child's progress. They are tools of assessment that are used to measure a student's achievement, effort, and performance. A conference may be scheduled when needed to give a more complete view of a child's overall progress.

PARENT-TEACHER-STUDENT CONFERENCES

Mandatory Parent-Teacher-Student conferences will be scheduled for each family in the middle of the fall and spring grading periods. The purpose of these conferences is to provide an up-to-date and personal evaluation of the students' work and progress, and to discuss with parents ways to assist their children. Conferences also give parents an opportunity to ask questions and to become informed of school activities. The conferences are student-centered; each student is an active participant and all students in grades 1-8 are expected to attend. Attendance of Pre-Kindergarten and Kindergarten students is up to the discretion of their teachers. Registering for conferences is done online.

Additionally, conferences may be requested at any time by parents or teachers. To schedule a conference, please email your child's teacher.

RETENTION

If the teacher feels that another year in the same grade would be beneficial for the student, he/she may be retained in that grade. If retention is being considered by the teacher, parents must be notified by February. A formal letter from the principal will be sent out by March 1st and a final decision regarding the retention will be made by mid-May. A parent may call and ask the classroom teacher and/or administrator to discuss retention at any time.

If a middle school student (Gr. 6-8) does not pass two out of three trimesters in a core subject, he or she is in jeopardy of not passing to the next grade level or not graduating from St. Luke School. In all cases, the final decision rests with the principal.

ACADEMIC PROBATION

Probation may occur if a student is not meeting the academic requirements of his/her particular grade, or if there is continuing serious academic deficiency. A student can be placed on academic probation by the principal in consultation with the teachers. The principal will determine the length of the probation period. If there is no improvement during the probation period, the student may be asked to withdraw from St. Luke School.

It is the goal of St. Luke School to maintain high academic standards and utilize good study skill habits. Occasionally, students have difficulty in achieving this goal. A student will be placed on academic probation if two F's or three or more grades of D or below are earned in any trimester. The student will need to meet with the principal and set up a contract that will allow for improvement in these areas. The term of probation will be from progress report time to the end of the trimester.

ACADEMIC PROMOTION

Students are promoted from one grade to the next once a year based on the student's satisfactory completion of the grade requirements. Final decisions regarding the promotion of a student is the sole responsibility of the principal.

ACADEMIC TRIAL PERIOD

All students who are newly enrolled in grades Pre-Kindergarten through 8th at St. Luke School are admitted on a six-week trial basis. Parents/guardians will be notified of their child's progress through regularly scheduled progress reports, report cards, and at parent/student/teacher conferences. At the end of the trial period, parents/guardians will be notified if an extension is necessary.

SCHOOL SUPPLIES

The responsibility for having necessary school supplies belongs to each family. A supply list is sent home in June and is available on the website.

TEXTBOOKS

Textbooks should be kept in the best possible condition, as they are on loan to the students. The student is expected to pay for the loss or damage of any textbook.

TUTORING

Teachers may tutor a student for profit in a subject, if they are not responsible for teaching the student in that particular subject. Class time may not be used for any private lesson or practices. Tutoring or private lessons should be scheduled outside of contract time (30 minutes before and after the start of the school day).

DISCIPLINE AND BEHAVIORAL PROBLEMS

DISCIPLINE PROCEDURES AND POLICIES

St. Luke School is committed to the development of a Christian community in which all members, adults and children, are encouraged and supported in their growth toward fullness in the person of Christ. In an effort to make this growth a reality, the faculty and staff are dedicated to building an atmosphere conducive to this Christian development. At times, this requires positive encouragement and building of self-esteem. At other times, it demands assisting an individual or group to redirect their energies toward growth.

Purpose of discipline at St. Luke School:

1. To provide an environment of Christian community, wherein growth and development of the person is made possible, stimulated, and encouraged.
2. To provide an opportunity for the student to practice Christian ideals and attitudes.
3. To assist students in the development of self-discipline, courtesy, and respect.
4. To provide an atmosphere conducive to learning, wherein no one student or group of students deprives others of their right to learn.
5. To promote respect and care within the student for himself/herself, for others in the school, and for members of society.

Appropriate behavior is defined as following three basic rules:

1. We respect self and others.
2. We respect and care for school and personal property.
3. We observe playground boundaries, lunchroom, library, and school safety rules.

Corporal Punishment

The use of corporal punishment in any form is prohibited at St. Luke School. All school personnel exercise pastoral leader care in the discipline of a student and will follow carefully articulated discipline procedures.

Disciplinary Actions

When methods of positive reinforcement, motivation, and conferencing with students have not proven successful, or when seriously disruptive conduct has taken place, other actions may be necessary, some of which are defined below. Since building a Christian community demands that each individual be given the opportunity for personal growth, infringement of the rights of others will result in disciplinary action.

Disciplinary Policies

To be successful, it is imperative that all students follow school policy and guidelines. School rules governing conduct and discipline are to be interpreted to ensure an optimum learning atmosphere and create a climate in which each student has the maximum opportunity to learn.

The following are in addition to the rules covered in this handbook.
Basic school-wide rules:

1. Students are to comply with every faculty and staff directive at all times.
2. Students are to use an appropriate voice when speaking.
3. Students are to keep hands, feet, and other body parts to themselves.
4. Students are to speak respectfully to others (no profanity or name-calling).

DISCIPLINE REGULATIONS

The rules of a school, governing all conduct and discipline, are in-place to ensure an optimum learning atmosphere in the classroom. "Optimum learning atmosphere" shall be defined as the climate in which each student has the maximum opportunity to learn. Conduct of students that interferes with that climate should be kept at an absolute minimum as determined by the classroom teacher. Students are to comply with rules established for the governing of the school.

The principal reserves the right to waive and/or deviate from any and all disciplinary regulations for just cause at his/her discretion.

A student who engages in conduct detrimental to the school's reputation, whether on or off school grounds, can be subject to suspension or expulsion.

Behavioral Reflections

After classroom warnings have been given, the student will receive a time-out for reflection. Students are to complete the required reflection form. Primary students will complete theirs with the support of a student support staff member or appropriate staff member. Parent/guardian signatures are required on all behavior reflection forms, which are to be returned the following school day. As needed to establish a collaborative relationship of support, follow-up communication by email, phone call, or conference may be requested by the parents/guardians or staff member. This process of reflection leading to more positive, safe, and/or respectful choices and actions is aligned with the school's philosophy and commitment to fostering ongoing personal and social-emotional growth and development.

Failure to complete the behavior reflection form in an appropriate manner or if the form is not returned, a meeting with the student life director and/or the principal may happen.

Behavioral Contracts

A student is placed on a behavioral contract when there is a persistent issue with conduct. The school administration will determine when a student is placed on a behavioral contract. A written contract is drawn up by the school and presented to the student and the student's parents/guardians at a conference. The behavioral contract will state specific areas where growth is needed and will provide specific directions in terms of negative and positive reinforcement.

Suspension

In-School Suspension

Two or more serious infractions for behavioral reasons in a trimester will result in an in-school suspension and the implementation of a behavior contract. The student will not be allowed to return to class until a conference is held with the parents/guardians, student, teacher(s), and student life director/principal. Extreme or serious behaviors may result in an immediate suspension. Persistent and serious offenders may be asked to withdraw from St. Luke School.

Out-of-School Suspension

A student is expected to conduct himself/herself in a manner that is consistent with the Catholic faith. At the sole discretion of school leadership, a student may be placed on suspension for serious misconduct that is deemed to be detrimental to the school or the school's reputation on or off campus, during a school or parish sponsored activity that happens off school grounds, or for continued misconduct after being placed on probation. A student may be suspended for a single serious offense, repeated infractions of the rules, or for the repeated disregard of the general good of the school.

A student may be removed from the school building for a period of time (generally not to exceed 10 school days) pending an investigation of the circumstances and a conference with the student, parents or guardian, teacher(s), and principal. A second suspension for the same or similar infractions may cause the student to be expelled. A psychological evaluation including a risk assessment of the student may be required as part of the documentation steps of a suspension, probation, or expulsion case.

Expulsion

Expulsion is the most drastic course of action for repeated or serious violations of school rules. Expulsion is a serious process and follows the steps outlined under suspension unless the seriousness of the circumstances necessitates immediate action. In cases of expulsions, parents or guardians and/or students have the right to request an appeal. The information for due process is available to those concerned in the Archdiocesan Policy Handbook. This handbook is kept on file for reference in the school office.

Due Process

The principal has the right, if necessary, to exclude a student from all school activities during the time of due process. If a student has been expelled from the school, the parents/guardians may request a hearing from the school. If a hearing is requested, the school must be notified within five school days after the parents/guardians have received notification of the student's required expulsion. If a reply is not received within this five-day period, the hearing is waived and the expulsion from St. Luke School is final.

If a hearing is requested, it is held within five school days of the school receiving such a request. The hearing committee will consist of the pastoral leader or his designee, the principal, and a designated teacher. The final decision of the hearing committee will be submitted to the parents/guardians within five days of the hearing. The decision of the hearing committee is final.

HARASSMENT/INTIMIDATION/BULLYING

St. Luke School, as part of the greater Catholic Archdiocese, is committed to a positive and productive community environment free of harassment, intimidation, and bullying. It is the explicit policy of St. Luke School to prohibit harassment, bullying, or intimidation whether committed by a student, staff member, volunteer, and/or parents/guardians. St. Luke School will promptly respond to allegations of harassment and bullying and take each allegation seriously. St. Luke School will review and investigate such matters in a professional and timely manner.

1. St. Luke School is committed to an environment that is free of harassment, intimidation, and bullying whether intentional or not, while in school/parish buildings or on school/parish property, or when being transported to and from school-sponsored activities. In addition,

online harassment via email or social media will not be tolerated both during and outside of school hours.

2. St. Luke School prohibits retaliation against any student, staff member, volunteer, and/or parents/guardians who has testified, assisted, or participated in the investigation report. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or adverse pressure.
3. St. Luke School explicitly teaches about bullying and normal peer conflict, and provides students and staff with tools to prevent bullying, both in our school and in the community. Based on the latest field research, St. Luke School uses Committee for Children's Second Step's Bullying Prevention Unit/lessons and teaches Kindergarten–Grade 8 students how to recognize, report, and refuse bullying.

Conflict

Conflict is defined as a disagreement between two students or a group of students. The results of a conflict can often lead to an argument; however, conflicts are a natural, everyday occurrence between children. Through the Second Step curriculum, children learn to exercise self-control, establish boundaries, and to recognize the difference between natural conflict and harassment, intimidation, or bullying. Students are taught and given the opportunity to practice the skills of recognizing, reporting, and refusing bullying.

Harassment

Harassment is defined as any intentional electronic, verbal, physical, visual, or written act including, but not limited to, one shown to be motivated by a person's perceived race, ethnicity, genetic information, sexual orientation including gender expression or identity, color, religion, gender, national origin, age, or disability, or that of his/her relatives, friends, or associates, when the electronic, verbal, physical, visual, or written act:

- (A) Physically harms a student or damages the student's property;
- (B) Has the effect of substantially interfering with a student's education;
- (C) Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- (D) Has the effect of substantially disrupting the orderly operation of the school and that creates an intimidating, hostile or offensive school environment.

Descriptive Terms

1. Verbal Harassment: Includes, but is not limited to, harassment involving derogatory comments, jokes or slurs; belligerent or threatening words between individuals; offensive, negative remarks.
2. Physical Harassment: Includes, but is not limited to, harassment involving unwanted deliberate touching, pinching, punching, kicking, bruising, or patting.
3. Visual Harassment: Includes, but is not limited to, harassment involving derogatory, demeaning or inflammatory pictures, posters, cartoons, written words, drawings, novelties, computer-generated images and memes, and both body and facial gestures.

4. Sexual Harassment: Includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact, sexually suggestive remarks, gestures or jokes, or other verbal or physical conduct or communication of a sexual nature if:
 - (A) Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining an education or employment;
 - (B) Submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's education or employment; or
 - (C) That conduct or communication has the purpose or effect of substantially interfering with an individual's educational or work performance, or of creating an intimidating, hostile, or offensive educational or work environment.
5. Online Harassment: Includes, but is not limited to harassment involving emailing, texting, tweeting, or posting indecent and/or demeaning writings, cartoons, memes, or pictures via social media.

Uncivil or unkind behavior towards others that does not meet the above standards for harassment may still subject a student to disciplinary action.

Bullying and Cyberbullying

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. **The behavior is repeated over a period of time.**

There are three types of bullying:

1. Verbal bullying involves saying or writing mean things.
2. Social bullying, sometimes referred to as relational bullying, involves hurting someone's reputation or relationships.
3. Physical bullying involves hurting a person's body or possessions.

Cyberbullying is bullying that takes place using electronic technology. Electronic technology includes, but is not limited to, devices and equipment such as cell phones, computers, and tablets as well as communication tools including social media sites, text messages, tweets, chats, and websites.

Uncivil or unkind behavior towards others that does not meet the above standards for bullying or cyberbullying may still subject a student to disciplinary action.

All allegations of harassment and bullying will be taken seriously and promptly investigated. Reports of harassment and bullying should be made immediately to faculty, staff, and/or the principal. Once an allegation of harassment and or bullying has been reported, the principal, under the discretion of the Pastoral leader, will adhere to Archdiocesan policy and follow through on the investigation of the allegation.

Threats

Any threat by a student to inflict harm to self or others will be taken seriously and addressed promptly. Threats should be reported to the principal or lead teacher, who will decide if police support or notification is needed. The police will be notified about threats when it is deemed necessary. If a student has been threatened, the principal or lead teacher shall notify the student's parents/guardians promptly.

Any student who makes an intentional verbal or physical threat to cause a person's death, or who makes a threat about guns or explosive devices, will be suspended or expelled and the authorities will be notified.

Retaliation/False Allegations

Retaliation is prohibited and will result in appropriate discipline. It is a violation to threaten or harm someone for reporting harassment, intimidation, or bullying, or to threaten or harm someone who participates in an investigation of harassment, intimidation, or bullying. It is also a violation of school rules to knowingly report false allegations of harassment, intimidation, and bullying. Individuals will not be disciplined for making a report in good faith, even if the report is found not to be substantiated. However, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline

VIOLENT BEHAVIORS

St. Luke School strives to maintain a safe, respectful, Christian environment. Violence of any nature will not be tolerated. Violence can manifest itself in various ways. Major offenses may warrant an immediate conference and the implementation of suspension, required withdrawal, or expulsion. These actions may result from any serious or chronic conduct, whether inside or outside the school, that is detrimental to the reputation of the school.

The following are examples of infractions requiring action:

Aggressive or Reckless Behavior

Aggressive or reckless behavior which jeopardizes the health, safety, or welfare of the student, other students, the greater community, or staff members will be subject to disciplinary action.

Alcohol and Drug Policy

The use and/or possession of alcoholic beverages or drugs is prohibited by law to minors. In addition, the following regulations shall be applicable to students enrolled at St. Luke School while they are in school, on and off school grounds, or at school-sponsored events.

1. The selling, possession, distribution of and/or social media or other reference to alcoholic beverages, drug paraphernalia, controlled substances including marijuana, or any substance considered to be such, is a major violation. Students who knowingly do so will receive a long-term suspension or expulsion. Legal authorities may be notified. Controlled substances include, but are not limited to, narcotics, amphetamines, marijuana, hallucinogens, barbiturates, and prescription or non-prescription drugs of any nature whatsoever. In order to return to school students will be required to state where and how they obtained the drug or alcohol.
2. Students under the influence of any alcoholic beverages, controlled substances, including marijuana, or other illegal substances considered to be such will receive a long-term suspension or expulsion. Legal authorities may be notified. In order to return to school, students will be required to state where and how they obtained the drug or alcohol and may be required to obtain a drug/alcohol assessment and follow any recommendations.

Any medication a student requires during the school day must be kept in the health room or school office (as discussed further below) and administered by school personnel, a parent/guardian, or a parent/guardian-designated adult consistent with written authorization from the licensed health care professional. Students will not be permitted to consume prescribed cannabis products on school grounds, school transportation, and/or at school activities.

Assault or Intentionally Causing Physical Injury

A student shall not intentionally cause or attempt to cause physical injury or intentionally behave in such a way as could injure another person. Any student involved in fighting, play fighting, or promoting fighting shall be subject to disciplinary action. A conference with the parents may be requested, and a student may be suspended or expelled for fighting. Fighting may constitute a crime and be reported to law enforcement.

Hitting, biting, or kicking another student, whether intentionally or during play, is not tolerated. Students who engage in this type of behavior will receive an in-school suspension. For severe cases, parents will be called, and the student must go home.

Criminal or Gang-Like Activity

Criminal or gang-like activity or membership in a criminal street gang is not permitted. Criminal street gang is defined as any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts.

Criminal / gang-like activity shall not be tolerated on school/parish grounds or at any school/parish-sponsored activity. Students shall not wear/display explicit gang-like symbols or display gang-like symbols. Violation may result in expulsion, suspension, and/or other appropriate disciplinary action as deemed appropriate by the principal.

Academic Honesty

St. Luke School has an Academic Honesty Policy for both PYP and MYP students. The Academic Honesty Policy can be found on the school website.

St. Luke School strongly stresses that doing one's best work is more important than the grade; however, if a student is cheating on a test, quiz or any assignment, or forges a signature on any test, note, or report, the person cheating will receive a failing grade on the test or assignment, and any person facilitating the cheating will also receive a failing grade on the test, quiz, or assignment. An additional behavioral consequence will also be administered to all parties that are involved in the cheating incident. Cheating in any form is clearly dishonest and unacceptable.

Such cheating may include:

1. leaving books or notebooks open during a test period, unless students are instructed by the teacher to do so
2. writing answers on desktops, clothing, or on hands, legs, arms and other parts of the body
3. looking on another's test paper
4. copying another student's assignment and/or homework
5. talking with another student during a test period
6. writing down answers copied from others when tests are handed in

7. talking with students from previous class periods in order to get test information
8. using or attempting to retrieve digital information from a cell phone or similar device and then accessing such material during an exam, quiz or test
9. handing in a paper for credit which has already been graded in another class, without the approval of the teacher

Disturbances

It is against the rules to willfully create a disturbance on school premises during school hours or at school activities or meetings. It is also against the rules to repeatedly create a disruption of the learning environment in the classroom.

False Fire Alarms and Fire

Any student involved with activating a false fire alarm is subject to disciplinary action by both school and legal authorities. Under the law, false fire alarms are misdemeanors subject to a maximum fine of \$250.00.

Arson is a felony. Any student who sets a fire on school premises will be subject to discipline and referred to law enforcement for a potential charge of arson or reckless burning. Igniting matches, lighters, or other similar devices is prohibited. A student who engages in this behavior will be suspended or expelled.

Forgery

The forging of a signature of a parent, guardian, staff member, or another student on any letter, note, or report to the school or on any school document where such a signature is required will result in a disciplinary action.

Insubordination

Any student who is insubordinate or defies the authority of any school personnel or parent volunteer is subject to disciplinary consequences.

Leaving School Grounds without Permission

Any St. Luke student who leaves the school grounds without permission from the school will receive a suspension or expulsion for his or her actions.

Plagiarism

Students should not plagiarize (or use as their own, without citing the original creator) content, including words or images, from any source, including the Internet. Students should not take credit for things they didn't create themselves, or misrepresent themselves as an author or creator of something found online. Research conducted via the Internet should be appropriately cited, giving credit to the original author.

Students who submit plagiarized material as their own work will be subject to a reduction in grades and disciplinary consequences.

Profanity

Swearing, profanity, vulgarity, or obscenity by any person on school/parish grounds or during school-sponsored activities will not be tolerated. Students engaging in such conduct will be subject to discipline. Students are likewise not allowed to play videos, music, or other recordings that contain profanity, vulgarity, or obscenity.

Respect of Property

All students are expected to respect and care for all property of the school. Any student or students found damaging, defacing, or destroying school property will be required to pay for the damage or loss. Willful destruction or defacement of school property at any time is cause for suspension or expulsion. Student grades and transcripts will be withheld until all costs from damages have been paid.

Theft

Any student involved in a theft may be suspended from a single class or from a full schedule of classes for a period of up to ten (10) school days with possible loss of credits for a trimester. The student will be required to replace or pay for the stolen item(s). Proper legal authorities may be contacted.

SEARCHING STUDENT'S BELONGINGS

St. Luke School has the right to search anything that a student brings onto the school campus. In addition, the school has the right to search backpacks and/or lockers at any time.

WEAPONS

It is unlawful for any person to carry onto school grounds or facilities a firearm or dangerous weapon as defined by RCW 9.41.250 and RCW 9.41.280. **Students carrying a knife, firearm, ammunition, and/or an explosive device onto school/parish premises, at school/parish sponsored activities, on school provided transportation, or in areas of facilities while being used for school purposes will result in expulsion. Police will be notified.**

The law provides an allowance for licensed persons to possess firearms within 1000 feet of a school, and state law allows those licensed to carry a concealed pistol to possess a firearm on school grounds while picking up or dropping off a student. However, loaded firearms will not be allowed inside school facilities except for security and law enforcement personnel.

Any object used to intimidate, threaten, or cause bodily harm will be considered a weapon. If the principal determines that an object falls into the category of dangerous weapons that require expulsion, he or she shall promptly notify law enforcement and the student's parent or guardian regarding any allegation or indication of such a violation. Any knife used to threaten, intimidate or injure is treated as a dangerous weapon. Likewise, a facsimile of any weapon used to threaten, intimidate or coerce will be treated as a real weapon.

Any fireworks or explosive (including, but not limited to M-80s and other high-powered fireworks) will be considered dangerous weapons capable of causing grave bodily harm. Both the police and the fire marshal will be notified in the event a student is found to be in possession of such items..

Any weapon will be confiscated and disposed of in an appropriate manner as deemed by the administration. The administration will call the police first, then parents or guardians will be called.

Weapon Procedures

1. Carrying or possessing a firearm on school premises is a gross misdemeanor and the student who uses or displays a weapon may be guilty of a felony assault. Police referral for criminal charges is required.
2. Emergency expulsion shall be immediately implemented for any student who brings a firearm onto school premises, school transportation, or in facilities being used exclusively for school purposes. The student should be prohibited from coming onto school property while the principal's investigation is ongoing. The police should be asked for a copy of the police report and, if available, the police report number should be noted in the Notice of Expulsion.
3. The principal shall carry out whatever school investigation is necessary, including taking statements from witnesses. As in any case of expulsion, the accused should have an opportunity to respond to the charges before the final disposition of the case is announced.
4. If the facts support the charges, the principal will send a formal Notice of Expulsion to the student and his/her family. Again, the student should be reminded that the "no trespassing" order is in effect.
5. In cases that result in expulsion, the student has the right of appeal. The process of appeal is outlined in the school handbook. During the appeal process, the accused must honor the "no trespassing" order.
6. As specified in the Federal Gun Free Schools Act of 1994, the principal may modify the expulsion requirement on a case-by-case basis.
7. These procedures shall be construed in a manner consistent with the individuals with disabilities education act, 20 U.S.C. Sec. 1401 et seq.

SCHOOL POLICIES

DAILY SCHEDULE (For alternative schedule please refer to the St. Luke Website for alternative schedules such as staggered arrivals or dismissals in times like the COVID-19 pandemic)

School begins promptly at 8:30 AM each day and dismisses at 3:00 PM on Monday, Wednesday, Thursday, and Friday and 2:00 PM on Tuesdays. Preschool also has an 11:30 dismissal time for half day students. Children may arrive prior to 8:15AM if they are participating in school activities or riding in a carpool with students who are participating in such activities. Children should not come to school before 8:15 AM since there is no supervision prior to that time. Children arriving before 8:15 AM or staying past 3:15 PM and not participating in before or after-school programs will be sent to the Extended Care program, and parents will be billed accordingly. On inclement weather days, students are invited inside the building and students will go to their assigned areas to sit quietly until the school bell rings. Students are not allowed to leave the grounds without being signed out by a parent/guardian or designee once they have arrived at school.

CALENDARS

The school year calendar is sent home through the summer mailing and is available on the school's website. Monthly school calendars will be sent home with the youngest sibling and via email. The monthly calendar is also posted on the school's website. Should you not receive either calendar, please notify the school office. The school calendar is subject to change, but not without sufficient notice. Should a change be made after the school calendar is distributed, families will be notified via email and through the school's website.

ATTENDANCE

Absences

St. Luke School hours are from 8:30 AM to 3:00 PM, except Tuesdays for early dismissal at 2:00PM. Students must attend school regularly and be punctual. Absences are recorded by the homeroom teacher each day. When a student is absent from school, parents must verify the absence by phoning the school office before 8:45 AM. If there is no contact from the parents, the school will call for verification. If parents cannot be reached, persons listed on the emergency form will be contacted.

If a student is absent more than 10 days in a trimester, a parent conference will occur and an attendance contract will be established. If a student is absent 30 days or more in a school year, this will be grounds for retention, which will be handled by the principal in consultation with the student's teacher(s). Individual circumstances for the reason of the absence will be taken into consideration.

Missing school for any reason is considered an absence. Students who miss school or a class because of any absence may be provided an opportunity to make-up work. Failure to make up assignments or tests may result in an adverse effect on grades

Tardiness

The school day starts at 8:30 AM and a student is considered tardy if he/she is not in his/her classroom at 8:30 AM. All students arriving after 8:30 AM must stop in the office and receive a tardy slip to admit them into their classroom. Children should then proceed to the classroom and enter the classroom with as little disruption as possible. Frequent tardiness is disruptive to the teacher and students in the class and can adversely affect the education of the child who is tardy. Excessive tardiness will result in a letter from the principal requesting a meeting to rectify the situation.

Appointments

Every effort should be made to arrange medical and dental appointments for times outside of the school day. See the *school calendar* to note in-service days, holidays, and early dismissal times. If a student does need to leave for an appointment, parents must go to the school office to sign the student out and return to sign the student back in. If a child is gone from school for more than three hours, it is considered a one-half day absence.

Vacations

Daily attendance is an integral part of the educational experience at St. Luke School. The classroom interaction between students and teacher, as well as more formal instruction, is extremely important and cannot be readily replicated. Lengthy absences may interrupt student learning. Student absences for family vacations, travel, or other reasons are highly discouraged. The school calendar is published months in advance of the following school year. Please refer to the school calendar prior to planning family vacations, and arrange trips during school breaks. Students are responsible for all work assigned during their absence.

Inclement Weather

When inclement weather makes it necessary to close the school, parents will receive notice via SwiftK12 to their cell phones, land lines, emails, and texts. Closures will also be posted but not limited to the St. Luke School website, KOMO and KING websites and local TV channels, Facebook, and Twitter. Please check for text messages and listen to early broadcasts between the hours of 6:30 AM and 8:00 AM, always looking specifically for St. Luke School. Please do not send students to school or **Extension** until it is confirmed that the school is open. **Extension** will open 15 minutes before the announced school starting time.

If the weather turns hazardous during the school day, parents will be notified and are expected to pick up their children as soon as possible. All missed instructional time lost due to inclement weather and school cancellation will be made up at the discretion of the principal.

UNIFORMS

Policy

St. Luke School maintains a strong tradition of school uniforms that reflect school pride, modesty, and appropriate regard for personal appearance. Every student is expected to be in uniform every day. Failure to cooperate with the uniform policy will result in uniform infractions.

Where to Purchase

New uniforms are available through Tommy Hilfiger or the Dennis Uniform Store at <https://www.dennisuniform.com/> National Dennis Customer Service phone number is 800-854-6951
Used uniforms are available by contacting the Office Manager.

Expectations

Parents are expected to help children keep the school uniform code. At St. Luke School we wear uniforms because:

1. They represent our Catholic school image and tradition.
2. They discourage differences brought about by various income levels, thus eliminating unnecessary peer pressure and allowing the attention of the students to be directed to learning.
3. They assure that the dress standards of the school emphasize neatness.
4. They promote an image of pride both at and away from school and help create a positive climate of discipline and responsibility.
5. They are less costly to families and more easily maintained.
6. They promote an attitude of moderation and modesty.

Student Uniform Rules:

1. Students will be in uniforms that fit properly and are neat and clean.
2. Students will be in uniforms that are in good repair.
3. Uniform shirts and blouses must be worn under the school sweatshirt, sweater or vest and are to be tucked into their pants/skirts.
4. T-shirts worn under the uniform shirt or blouse must be plain white.
5. No sweatshirts, large shirts, sweaters, jackets (other than uniform logo wear) will be worn during school time.
6. All hats are to be taken off as students enter the building.
7. Students are not allowed to write on any part of their bodies, as this creates a distraction in the classroom.
8. All students shall have a uniform sweater, vest or sweatshirt and will wear "full uniform" on designated days. Students will always wear full dress uniforms for Mass days, picture days, and other special events. "Full uniform" means uniform sweater, vest or sweatshirt (not athletic) as part of the uniform.

Three uniform infractions mean a loss of a non-uniform "free dress" day

Appearance

Hair - Hair must be neat, clean, and well groomed.

Coats – Weather appropriate coats/jackets are necessary during recess. Coats may not be worn in the classroom. They are to be hung in the coat areas except during recess or P.E.

Please refer to the uniform chart found on the school website for current information.

Non-Uniform Days

Occasionally the school will announce non-uniform days. It is the parents' responsibility to send their children in appropriate attire for school. Dress on these days must be neat, modest, and appropriate for school. Students may not wear tank tops/spaghetti straps, mini-skirts, spandex-type fashions, sweat clothes or yoga pants, or T-shirts with sayings or designs which advertise drugs, alcohol, or any other inappropriate subject matter or sexual innuendos. Shirts, sweatshirts, and dresses must cover the shoulders. No exposure of the mid-drift is allowed. **Uggs and low-heeled boots are only allowed on non-uniform days.**

Lost and Found

All clothing and personal items should be clearly marked with the child's name. Marked clothing is returnable. Lost and found inquiries are handled through the school office. Items not claimed are donated to charity at the end of each trimester.

EDUCATIONAL RECORDS

Educational records are the property of the school, are confidential and require a written release to be forwarded.

Education records are available to parents and others as provided by the Family Educational Rights and Privacy Act (FERPA) 20 U.S.C. 1232g and the regulations of 34 C.F.R. Part 99.

Parents may request to examine the student's permanent record folder and/or test results by contacting the principal. Please make your written request at least 5 school days before information is desired. Student addresses, telephone numbers, and class lists are also considered to be confidential. Parents are asked to promptly inform the school of any change in address, phone number, marital status, etc. A copy of any court orders impacting parental rights or custody should be provided to the school. Requests from families not to have telephone numbers given out (printed in the Family Directory) will be honored. Parents are required to indicate on the emergency form if their phone number is unlisted.

Transfer of Student Records

If a parent is registering a child in another school, St. Luke School will release the student's records upon receipt of a "Request for Records Form" from the school where the student is enrolled or intends to enroll. The records will be sent directly to the new school, not given to parents to deliver, and all debts/fines or unfulfilled contract obligations owed to the school by the parent, must be discharged before records are forwarded.

Types of Records

1. Health cards and records of immunizations are retained by the school. Original health records are forwarded to the student's next school.
2. Permanent record cards are retained at the school. A copy of this record is forwarded to the new school at the time of transfer.
3. Sacramental records are kept in the student's official file, and recorded at the parish office where sacraments were first received, to document the sacraments of Baptism and First Holy Communion.
4. Attendance records are kept for each student. Total days absent and tardy are transferred from daily attendance rosters to the permanent record card. Detailed attendance logs are kept on file at the school for seven years.
5. Transfer of records is made at the time of an authorized request by the receiving school. All records are mailed. All tuition and other fees must be paid in full prior to transfer.
6. Disciplinary records are kept in the principal's office while a student is enrolled at St. Luke School and then destroyed. Disciplinary records are not part of the permanent record unless the student has been suspended or expelled.
7. Emergency care information for each student is kept on file in the school office. Parents are asked to update this information each fall or when necessary, during the school year, in order to ensure the safety of their children.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request an amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask St.

Luke School to amend a record that they believe is inaccurate or misleading. They should write to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests.
4. A school official is a person employed by St. Luke School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the District or Archdiocese has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, or assisting another school official in performing his or her tasks. A school official has legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, St. Luke School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. (NOTE: FERPA requires a school to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.)
5. The right to file a complaint with the US Department of Education concerning alleged failures by St. Luke School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office US Department of Education 600 Independence Avenue, SW Washington DC 20202-4605

PARENTS AND GUARDIANS

Non-Custodial Parents

The school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. Non-custodial parents have the right of access to information and to unofficial copies of records unless there is a court order to the contrary on file in the school office.

Divorced or Separated Parents

Our school exists to aid parents in the education of their children. As such, the focus and advocacy of the staff will always default to the benefit of the child. We will not position ourselves between parents in disagreements over custody rights and issues. In the absence of an official court document specifying the contrary, we will communicate and facilitate relationships with all legal guardians of each student. It is the responsibility of the custodial parent to provide any pertinent documentation that would alter this procedure

Upon registration or change in status the parent must file a court-certified copy of the current parenting plan or residential schedule with the school office at the time of registration, or change in status. The school will not be held responsible for failing to honor arrangements that have not been made known. The person who signs the tuition contract is the person who will be held financially

responsible for all obligations. Any modifications to the tuition contract must be made in writing and have the approval of the principal.

PHONES AND ELECTRONIC DEVICES

Cell Phones

Students are not to use cell phones at school unless approved by the teacher or administration. The cell phone is to be kept completely off and in the student's backpack. Students who abuse the cell phone rule will have their phones confiscated and returned at the discretion of the principal.

1. Any cell phone use without the permission of a teacher or administrator, including text messaging, during the school day, including after school and at Extended Care is prohibited.
2. The use of cell phones and/or cameras to take pictures in restrooms, classrooms, playground, and other school/parish facilities at any time is prohibited.
3. Any cell phone use, including text messaging, or use of cameras during a test shall be considered and treated as cheating.
4. No harassment or threatening of individuals via cell phones is permitted.
5. Cell phones may not be used for playing games, accessing the Internet or email, gambling, or making purchases of any kind.
6. If a parent needs to contact a student during the school day, such communication shall be through the school's office.

Office Phone Use

The School Office is open from 8:00 AM to 4:00 PM. Students may use the phone in the office for emergencies and with permission only.

Electronic Devices

The use of electronic communication devices during normal school hours is prohibited unless permission is given from a teacher or administrator.

The use of any technology-oriented device in school must have an educational focus and purpose. If a particular electronic communication device is to be used for educational purposes (i.e. Chromebooks, or iPad), the school administration and/or teacher will provide parameters for its use. The school retains the right to confiscate these devices if they interfere with the learning environment. The use of camera features on any electronic or communication device to take unauthorized pictures and/or videos at any time is prohibited.

COMMUNICATION

Consistent communication between the school and home is an important component of a positive educational environment and is highly valued at St. Luke School. Correspondence from the school is delivered to families in several ways including but not limited to email, telephone, and a weekly newsletter sent electronically. Important information such as weekly school and classroom newsletters, yearly and monthly calendars, school and parish flyers, CYO forms, and other materials

may be sent via email to every family each week on Thursday via the “Thursday Packet”. In order to be well-informed of academic and community news, it is essential that each family takes time to open and read the school emails and newsletters when they arrive.

Meetings with the Principal

The principal is available to meet with parents as needed. Please either call or email the principal or the school office to make an appointment. In order for the principal to be fully prepared to visit with you, it is helpful to state the topic or concern when you call or email.

Communication with School Faculty

If a family has a question or concern regarding their child or would like to schedule a conference, they should contact the classroom teacher directly via her or his school email or by telephone. Parents/Guardians are asked to refrain from engaging teachers in informal conferences in the classroom, hallway, carpool, etc., as it is, teachers have assigned duties during these times and must remain attentive to their students and other responsibilities. When scheduled in advance, teachers are happy to meet with parents before or after school to discuss academic progress, discipline issues, or other matters.

Parents/Guardians are reminded of their responsibility to support the authority of school personnel by refraining from gossip or negative commentary in the presence of their children, and to consult the faculty or staff at the school before forming a final opinion on an incident that occurred at school. Any situation involving a child and a particular teacher should be discussed with that teacher, as well as the child. Generally, when the parent/guardian, child, and teacher come together face to face and share all sides of the story, these matters can be resolved quickly and to the satisfaction of all parties.

Electronic Communication

Whether occurring within or outside of St. Luke School, when a student’s use of electronic communication, including social networking, jeopardizes the safe environment of the school, is disruptive to the school environment, or is contrary to Gospel values, the student may be subject to the full range of disciplinary consequences, including expulsion.

This policy applies to communications or images sent through emails, blogs, text messages, social media, or website postings, whether they occur through the school’s equipment or connectivity resources or through private communication, which: (1) are of a sexual nature; (2) threaten, libel, slander, malign, disparage, bully, harass, or embarrass members of the school community; or (3) cause harm to the school community.

Directory

The St. Luke School Directory is provided as a courtesy for the convenience of school families and includes each student’s name, grade, family members’ names, addresses, phone numbers and email addresses. Please notify the school office of any changes as soon as possible so all information is current. Parents/Guardians who do not wish to have this information published must notify the school

in writing no later than the third week of each school year. It is to be understood by families requesting this omission that they will still be contacted by phone or email by school staff and volunteers authorized to do so. The Directory is updated annually in late September and sent to families. The St. Luke School Directory is intended solely for the use of St. Luke school families and employees to strengthen their mutual support and the education of St. Luke school students, and any other use of the information in this Directory is strictly forbidden.

Emails

St. Luke School provides students with email accounts for the purpose of school-related communication. These accounts should be used with care. Students are not allowed to send personal information; they should not attempt to open files or follow links from unknown or untrusted origin; they should use appropriate language; and they should communicate with other students and/or the teacher for educational purposes only.

Students are expected to communicate with the same appropriate, safe, mindful, courteous conduct online as offline. Email usage may be monitored and archived. Students are not allowed to use chat features or email each other during school hours.

Social Media

Engagement in social networking and online blogs or postings shall result in disciplinary actions, including expulsion, if the content of the student's blogs or postings includes defamatory comments regarding the school, a person's dignity, bullying, harassment, threats, or other inappropriate comments that are contradictory to Catholic teaching. St. Luke School students and their parents/guardians must adhere to and sign the St. Luke School Student Computer and Internet Agreement.

HEALTH CARE

Health Room

A Health Aid room is located near the school office. (During the COVID-19 pandemic there is also an "isolation room" located in the former staff lunch room.) These rooms are monitored by office staff who will check children's temperatures, treat minor injuries, and maintain student health records. All medications will be kept in the front office.

Medication

St. Luke School may provide for the administration of oral medication, topical medication, eye drops, ear drops, or nasal spray to students who are in the custody of the school at the time of administration (RCW 28 A 210.260); however, St. Luke School must have on file a written licensed health professional authorization form to administer medication. This form must be current and unexpired. Necessary medications are provided by the parent/guardian and kept in the school office. No medication is to be kept in the classroom. Medications will be dispensed only from the original container provided by the pharmacy. Only designated and trained staff members will administer medication.

Students at St. Luke School are not permitted to have either prescription or non-prescription medication in their possession while at school. Emergency medications shall be kept in an appropriate, easily accessible location which allows for prompt response in case of an emergency. Medication that requires injections should only be administered after training by an R.N. or M.D, with written, signed and current permission from parent or guardian, and identification of staff members who may administer the medication.

1. An emergency allergy self-injector (i.e. an EpiPen), may be allowed to accompany the student throughout the school day only after it has been determined to be necessary by the school administration on a case-by-case basis and documented in the student's medication file. An emergency allergy self-injector (i.e. an EpiPen) may only be administered after training by an appropriate medical professional, with written, signed, current permission from parent or guardian, and identification of staff members who may administer the medication.
2. Students needing to use an inhaler may carry one on their person at all times once approved by school administration and documented in the student's medication file.

Sharing of medication in any way, including both prescription and non-prescription drugs, is prohibited.

Counseling and Referrals

School support counseling is available through various local agencies such as Catholic Community Services.

Counselors may see a student for up to three times without parental notification and consent. After the third visit, parents/guardians will be notified. If serious concerns exist, parents will be promptly notified whenever the concerns arise. Counselors and teachers will keep confidential information entrusted to them so long as no one's health or safety is at stake.

Other family arrangements are welcomed and encouraged. If a situation warrants, school staff may suggest the help of one of these third-party services to shed additional light on some need or concern. Since we do not yet have the resources for on-site assistance, it is important that such a recommendation be acted upon as soon as possible. Our staff pledges its best effort to help you educate your child. Even then, our efforts, combined with yours, may not be enough. An outside professional, in dialogue with you and the teacher, will usually net speedy results. If you have any questions at all about your child's progress or emotional well-being, give us a call sooner than later. Contact your child's teacher or administrator.

Sometimes it is necessary for the school to make a report to Child Protective Services. State law requires notification to this agency (and/or law enforcement) within 48 hours of any professional school personnel having reasonable cause to believe that a student has suffered abuse or neglect. We reserve the right to not inform the parent about this referral, depending upon the situation. CPS makes the determination on the severity and follow-up, depending upon the information available at the time and any previous record of the case. If you desire more information as to the procedure for such referrals, please contact the school office.

REPORTING SUSPECTED SEXUAL OR PHYSICAL ABUSE OR NEGLECT

School and Church personnel who have reasonable cause to believe that a child or vulnerable adult has suffered abuse or neglect shall report such incident, or cause a report to be made, to the proper law enforcement agency, Department of Children, Youth, and Families (DCYF) or to Washington State Department of Social and Health Services (DSHS) at 1-866-END-HARM (1-866-363-4276) at the first opportunity, but no later than forty-eight hours after they decide reasonable cause exists. Anyone who has knowledge of sexual abuse or misconduct by a member of the clergy, Archdiocesan employee, or volunteer is also urged to call the Archdiocesan Abuse Helpline, at 1-800-446-7762, within, or no later than, 48 hours of learning of alleged abuse. If the alleged abuse involves a teacher or principal, the Office of Professional Practices in the Office of the Superintendent of Public Instruction at 360-725-6130 must be notified by the Catholic Schools Department.

“Reasonable cause” means a situation that would motivate a person of ordinary intelligence under the circumstances to believe, based on observations or conversations that a child has been or is being abused.

Immunizations

Prior to entry, attendance or transfer to a Level 1 or 1b Catholic preschool through high school in the Archdiocese of Seattle, students must present proof of having had the immunizations as required by Washington State law.

Every student enrolled in a Level 1 or 1b Catholic School in the Archdiocese of Seattle shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Washington State Department of Health Services. The only exception to the foregoing requirements for students in our Catholic schools is a medical exemption signed by a licensed professional (M.D., N.D., D.O., ARNP, or P.A.) authorized to practice in the State of Washington, including the physician’s license number.

EMERGENCIES AND CRISIS PROCEDURES

It is important to prepare for any crisis in the best way possible. After consulting with several schools, districts, OSPI, FEMA, and local fire/police departments, St. Luke School has formulated an on-going working comprehensive plan to help ensure the safety and protection of all adults and children in our care.

If school must be closed due to any emergency during the school day, families will receive notice via KSwift communication via text, email, voicemail, and on the St. Luke School website, KOMO and KING websites, KIRO radio station, and KOMO and KING TV channels. Students will not be dismissed to walk home unless the parent calls and requests they do so, and assumes all responsibility for their safety. Students will be released from school if the principal determines that it would be unsafe for children to reenter the building. Children will only be released to parents, guardians, or those authorized by parents or guardians. Your help in providing and completing accurate and up to date information on the emergency forms is essential in ensuring immediate and successful response. If the phones are working, the school personnel will attempt to notify the families of the school closure. Some school staff will remain at the school until all children have been picked up. If the entire student body must be moved from the school premises, a designated adult will remain on the premises with instructions for parents or designated guardians.

Emergency Form

The school must have an emergency form on file for EVERY student in the school. If any information changes during the year, the office should be notified immediately. It is very **IMPORTANT** that the school be able to easily and quickly reach at least one parent or specified responsible person during the school day. If you are going to be out of town, we ask that you advise us as to what procedures to follow and who to contact if there is an emergency with your child.

General Emergencies

If a child becomes ill during the day, the teacher will send that child to the office to be evaluated and/or arrange for a parent to pick him/her up. If the child will not be returning to the classroom, a messenger will send the student's book bag/coat and schoolwork to the office. Any other dismissals must be reported to the office. If the office initiates the action, the teacher will be notified of the reasons for dismissal.

All accidents at school are reported to the school office. Serious accident victims will not be moved until emergency personnel evaluate the student. The supervising adult will remain with the student while someone else goes to the office to seek help.

1. Student illnesses--Teachers are always on alert for signs of illness of a contagious nature. Such cases are reported to the school secretary or principal. If the child has been ill and returns to school, it is important that he/she return well enough to be able to participate in normal activities, go outside for recess, etc. Children with a fever should remain at home and be fever free without the use of fever reducers for at least 24 hours before returning to school. If an unexplained rash appears, students will be sent home and asked to receive a medical evaluation before returning to school.
2. First Aid--The principal and school office staff should be notified of any student who has received a head injury at school. Any signs of concerns will be reported immediately and parents/guardians will be contacted. Any student who is observed to, or is suspected of, suffering a significant blow to the head or collides hard with another person or object, may have sustained a concussion. Any student who is suspected of having a concussion either based on the disclosure by the student, observed or reported symptoms, will be removed from activities and observed until an evaluation can be completed by a medical provider.
3. Teachers/staff will call 911 when any serious accident occurs. The school keeps records of all calls made to 911.

5. Medications--School policy does not allow any medicines to be given to students unless there is a written authorization form from a physician and the parents (see above).

Lockdown

Lockdown is defined as a way to secure students and staff within the facility due to some emergency. Staff and students will practice lockdown procedures routinely so they can be prepared in the event of an emergency. Lockdown procedures are not meant to scare the community but to empower all members to use safety precautions at all times.

SAFETY AT SCHOOL

St. Luke School is not responsible for accidents occurring on the grounds when school is not in session. Accidents occurring due to a student's failure to follow rules, during school hours, are not the responsibility of St. Luke School.

Carpool Safety

Please refer to the school website for the most up to date information.

Pedestrian Safety

Students walking home are required to sign out at the main office before leaving the school grounds. Pedestrians must utilize the designated walking areas and cross at crosswalks.

Touching Safety

Protecting God's Children™ program by Virtus is provided and required by the Archdiocese of Seattle, and is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse. The program is taught by the religion teachers for all students in kindergarten through 8th grade. It focuses on developmentally appropriate safety rules, boundaries, recognizing risky adult behavior, and internet safety. The students are taught lessons in October and in April. This is a mandated program from the Archdiocese; however, if you would choose to have your child opt out of the program, you must sign the *Touching Safety Opt Out Form*™, available from the classroom teacher.

Financial Safety

All forms of money sent to school for school purposes should be placed in a sealed envelope and clearly labeled with the student's name, grade, teacher, purpose, and amount. Children should not bring money to school unless necessary.

BEFORE-CARE AND AFTER-CARE

St. Luke School offers a before and after school program, referred to as Extension. This program is located in the auditorium. The primary focus of St. Luke School Extension is to provide onsite quality supervised care for St. Luke School. This is not a program intended for enrichment or extensive activities, but a place where students can be safely supervised.

Students are supervised by St. Luke School Extension Assistants that are employees of St. Luke School. St. Luke School Extension assistants have CPR and First Aid training, Safe Environment training and adhere to yearly updates, and have passed background checks. St. Luke School Extension Assistants are under the supervision of the St. Luke School Extension Director. Day-to-day management of the St. Luke School Extension is the responsibility of the St. Luke Extension Director, who reports to the principal.

There is a separate charge for students attending the St. Luke School Extension program. Applications for the St. Luke School Extension programs are available in the school office.

Preschool does **not** have a **before** school care program and has a separate after school program (referred to as the Extended Day program). Please refer to the Preschool Handbook for more information.

Policies and Procedures

Extension is open in the morning from 7:00-8:15 AM Monday through Friday, and in the afternoon from 3:00-6:00 pm Monday, Wednesday, Thursday and Friday. Tuesday afternoon Extension is open from 2:00 - 6:00 pm.

- Parents must sign in their student(s) each morning for Extension. At St. Luke, the Extension staff will dismiss the students to the school grounds for morning line-up.
- For the afternoon session, the Extension staff will sign in students. Parents must sign out their child when picking her/him up for the afternoon session. Please park, ring the doorbell in Bowman Plaza door entrance and when the door is unlocked come through the building to the Extension door.

After-school students in K – 2nd grade will go outside (weather permitting) for recess until the supervisors take them into the building. A study hall period is required for all students in 3rd – 8th grade. However, it is not our expectation that the Extension personnel supervise or require the students to do homework. It is expected that all students will bring a snack for the afternoon. Please plan accordingly when packing the student's lunch.

Students are expected to treat each other and all Extension assistants with respect. This program is an extension of the school day and all expectations of behavior reflect school policies. If students do not exhibit respectful behavior, they may be removed from the program after a parent/guardian conference with the principal. The assistants will use the Behavior Reflection Forms to notify parents/guardians of concerns.

A copy of the student's emergency form is kept on file at Extension. If you are sending someone new to pick up your student, please notify the Extension Staff either in writing that morning, or by a phone call directly to Extension.

Afternoons – 3:00-6:00 PM except Tuesdays 2:00-6:00 PM

If the accounts are not current, report cards and records may be withheld.

LUNCH PROGRAM

St. Luke School offers a hot lunch program for all students whose families choose to purchase lunch. School lunches meet all of the nutritional standards required by both state and federal lunch programs. Hot lunch is purchased by families online via the school website. Families will have options on how often they wish to purchase lunches; daily, weekly, monthly, etc.

This valuable school lunch program depends on a certain volume of orders in order for the chef to make it financially viable. Students, who do not purchase the school lunch, can bring a sack lunch to school. The staff encourages parents and students to pack nutritious lunches that include a healthy variety of the recommended food groups but do not include soda or candy.

Lunch Room Essential Agreements: Come to the St. Luke auditorium for lunch quietly and respectfully.

- There is absolutely no running in the hall.
- Use a normal conversation voice, no yelling or shouting is allowed.
- Do not throw food or objects.
- Clean up after yourself.
- Follow the Green Team rules by recycling & composting, at the conclusion of lunch Failure to follow these rules will result in loss of recess or after school detention.

PLAYGROUND BEHAVIOR

Rules and Behavior

At recess, students are reminded to use the emotional management and problem solving skills taught in their Second Step lessons to help calm down and work through conflict, when needed. Adult recess supervisors are available to support and coach students in implementing these skills.

Below are the guidelines to be followed at recess times. These guidelines have been set up to provide proper supervision of the students and to ensure their safety. Violation of the guidelines may result in disciplinary action.

1. Inappropriate, vulgar, or profane language is not allowed on the playground.
2. Spitting is not allowed.
3. No food is allowed on the playground during recess unless permission given by the playground supervisors and administration. .
4. Keep hands and feet to yourself. (Play-fighting, fighting, rough games, and contact sports are not allowed.)
5. Respect for adults is to be demonstrated.
6. Report all injuries to the playground supervisors immediately.
7. Students may not throw rocks or any projectiles at any time.
8. Students may not bring their own equipment/toys out to recess unless permission is given by both the playground supervisors and administration. This includes all electronic devices.

Playground Equipment

Recess equipment is available for all students and should be shared with all those who wish to use it.

Students are not allowed to climb on the rock boundary or up into the area between the upper field and the lower parking area. All posted signs need to be honored. Students are to pick up and dispose of any trash prior to leaving the playground/upper field areas.

The BIG TOY, SLIDE, and PLAY STRUCTURE are available for use upon the discretion of the Playground Supervisor when there is enough adult supervision on duty.

RELEASE OF STUDENTS

Release of Students To Another Adult

If anyone other than a parent or guardian is sent to pick up students, St. Luke School requires either written permission signed by the parents, or a phone call from the parents to the school office informing the school of the change. Students will not be released to anyone they do not recognize nor to anyone not on the emergency form. St. Luke School will check identification of anyone who is not the child's parent and who is picking up a child from school.

Release of Students To Police

Police and other government officials are required to directly deal with the principal in requesting an interview with a student. Generally, no police officer should be given access to a child without parental permission unless, (a) there is an arrest warrant, (b) the parent is the subject of an investigation of abuse or neglect, or (c) there is an ongoing situation that poses an immediate danger of causing significant harm.

If a police officer is given access to a student and no parent/guardian is available, the child should be accompanied by the principal or principal delegate. That individual is not there to assist the police, but to ensure that the child is being treated appropriately by the police.

PARENTAL INVOLVEMENT

Parental cooperation is essential for the welfare of students. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process, the school may require parents to withdraw their children and sever their relationship with the school.

It is expected that parents will become actively involved in their child's progression through St. Luke School. It is our hope that this will include: assisting with daily assignments for practice/drill sessions over material, reinforcing the school homework policy, actively participating in PARENT CLUB/ORGANIZATION, attending fall and spring conferences, as well as conferring regularly with their child's teacher. Parents may find the following guide helpful in defining specific topics they wish to discuss with the child's teacher.

1. How is my child progressing academically and socially?
2. In what areas is she/he strong? Does she/he need help?
3. What can I do at home to help my child?
4. How can I help my child build good work habits?
5. How does my child get along with other children?
6. How does my child behave in school?
7. How can I help reinforce my child's positive attitudes toward school and staff?
8. How can I show an interest in my child's progress in school without making him/her feel pressured?
9. How can I help my child gain more self-reliance, self-confidence, and self-respect?

Visitors

All classroom visitors first must sign in and be cleared at the office. This enables the school to keep track of who is in the building and is a safety measure. Adults are asked to wear a visitor lanyard from the office as immediate identification to staff and students that this person has a valid reason to be in the building

Parents are asked not to go to the classrooms to deliver things to the students. These items are to be left in the office and will be delivered to the students. Please respect our students' need for uninterrupted learning time.

All visitors will enter the building through the main doors at the front entrance of the school, after buzzing and being let in by a staff member. School doors are always locked and students/staff are encouraged to keep these doors closed at all times and not to open them to anyone.

Room Parents

Each grade has a team of Room Parents whose role is to assist the teacher in whatever ways she/he can. Some specific ways in which the Room Parent helps the teacher may be:

- Coordinating parents to help the teacher as requested.
- Arranging for classroom parties with the teacher.
- Assisting with the classroom auction project.
- Coordinating and serving coffee and donuts after Sunday Mass once each school year.
- Hosting one special event each year depending on your child's grade. Please see your classroom teacher for more details and an explanation of the event.

Parties

Students are welcome to bring birthday treats for each student in their class. Healthy snacks are preferred. Please do not bring in cakes or other types of treats that take time to prepare and/or need utensils. Please do not bring in beverages with the birthday treats. Adhere to any and all allergy concerns in the class.

Party invitations are not to be handed out at school or at carpool. Please send invitations by mail or email. Please consult the parent directory for addresses and emails. The school office cannot provide any contact information and does not distribute invitations or thank you notes. We respect and understand the financial obligations of inviting every student; however, it can be hurtful when one or two children from a class are left out. If possible, do not pick-up children from the carpool for parties for which the whole class is not included.

The principal, at least a week prior to the day of the occasion, must approve any party for a staff member. Classroom parties will be determined at the discretion of the classroom teacher. Only St. Luke School students are allowed at classroom parties.

PICTURES

Individual and class school pictures are taken in the fall. Pictures are distributed via the classroom. Information concerning prices and packages is sent home at least one week before photos are taken. No parent is required to pay for pictures unless they choose to order them. Professional photos are also taken at eighth grade graduation and second grade First Communion.

ANIMALS AT SCHOOL

Parents must obtain prior approval from the student's teacher and from the principal before they are allowed to bring visiting animals to St. Luke School. If there is an allergy issue in the classroom, the animal will not be allowed at school. Service animals will be reviewed by the principal who will make the final decision concerning accommodations.

DANCE POLICY

St. Luke School typically hosts at least one middle school dance for the North Region Catholic Schools. St. Luke School students attending other Catholic school middle school dances must abide by the codes of conduct set forth by St. Luke School and the Catholic school hosting the dance. Students not adhering to the policies may forfeit the privilege of participating in school/parish-sponsored activities. This includes, but is not exclusive of prompt payment of fees, maintaining academic and behavioral standards, and safety and supervision requirements.

CYO's vision is that "With gratitude to Christ, we focus our resources and support the ministries which strongly impact the greatest number of youth, young adults and families – thus engaging them on their journey to know God and participate in the Catholic Community."

CYO Athletics is committed to the dignity and worth of each child it serves, regardless of physical talents, mental strength, or emotional health, and hopes that the same respect for life will become a part of his or her value system.
